

Selbyville Birth Records, 1874 –1927 (version 2)

Source: Ancestry 1800-1908 DE, Sussex, Selbyville (I presume this is an incomplete list from 1913-)

Order of list is alphabetic by last name, then in order by date of birth, except McCabe which I alphabetized.

Entries with asterisk & italics are corrected based on viewing image. (Learned doing this: list has many errors in transcription; many entries should say “Near Selbyville”; and mother’s maiden name is on image.)

Please send corrections you find on the images to me.
