

National Thespians Hold Formal Initiation

Shown planning the Pledge installation are Thespian officers: John Burnett, president; Angel Simonetti, vice-president; Laura Likins, secretary; and Fran Epstein, treasurer.

The National Thespian society of Hialeah High School troop 1576, held their first initiation of the year on the 20th of January.

The formal event took place in the H.H.S. auditorium. Nine new members were taken into the club. They were: Trudy Green, Ann Modafferi, Bette Wolfe, Bridgit Molter, Judy McMillan, Lois Kalhurst, Jan Faber, Judy Seber, and Donna Larson.

Each member of the National Thespian society took part in the ceremony. The parents and friends of the new members were invited. Refreshments were served at the end of the initiation.

Pledges must earn 10 points to become eligible for membership. These points are earned by being active in dramatics work, in school plays, working on the stage crew, or makeup committee. All outside work; as participating in church plays or making speeches in front of a group, are also considered as a way to earn the required number of points.

Hialeah Serves As Host For Library Council Meet

Hialeah played host to some 150 junior and senior high school students, Thursday, December 11, at the annual meeting of Florida High School Library Council of District Four.

This was one of the most important meetings of the year as it started at 12:30 and didn't end until after school. The students representing Hialeah High, started off the program with many favorite Christmas stories. Next on the agenda was the devotions, led by the chaplain for the district, Tana Jo Lee, from Westview Junior High.

Harriet Wendel, president, from South Dade High, conducted the business part of the meeting and Hialeah High's junior, Pat Barber gave the District Representatives report. Also present was Mrs. Betty Lannon, Supervisor of Dade County Schools Libraries, designated as the highly honored guest speaker.

A form of entertainment evolved, as everyone competed in the game "Name That Name," a quiz on magazines, books, authors, and

Christmas. H.H.S. student, Candace Jiruska was quizmaster and Mrs. Virginia Calloway of Coral Gables High and Mr. Richard Frow, of Miami Jackson, were the judges. The quiz consisted of three rounds, each of which were won by Miami Beach High.

A high point in this meeting was a book review given by Georgianna Settle, of H.H.S., from "A Lantern In Her Hand" by B. S. Aldrich, along with two humorous readings presented by Fran Epstein.

HHS Junior Debs Organize and Plan As A Service Club

The Hialeah Junior Women's Club is sponsoring a club for the young misses of Hialeah High School. Hialeah Junior Debs' main purpose is service; in other words it is strictly a service club, not a money making project.

There were two meetings at the Hialeah Junior Women's Club house, during the holidays. The purpose of these meetings was so the girls could get better acquainted with each other, to have fun and to discuss plans and organization of club.

Mrs. Arietta DuBarry and Mrs. Ethel King are sponsors for Hialeah High School.

The club meets twice a month at the Junior Women's Club Headquarters. There are approximately 80 girls registered now.

I Could Dance All Night

Although few people find themselves dancing all night, they do find that dancing is an important social function and offers the opportunity for getting acquainted and making friends.

Hialeah's Physical Education department offers dancing as part of its course and courtesy and manners on the dance floor go with it. The dances vary and are fun and a pleasure to learn. They include the square dance, fox trot, tango, and rumba.

HIALEAH INVADES SARASOTA

Over the New Year's holidays, two of H.H.S.'s craziest — **BILL HALFACRE** and I — invaded the once peaceful town of Sarasota! Bill, and his host, **Fred Engels**, of Sarasota, and Yours Truly who stayed with relatives on Anna Maria Island, plus a real swinging guy named **Jim Russell**, got together New Year's Eve. It seemed like "old home week" and Sarasota's just now coming out of hiding!

HOW ABOUT BEEFCAKE?

After observing several of the Record's pretty "Paper Dolls," **Bill Mainor** put up an uproar wanting to know why none of the Paper Dolls were boys. Weren't some of the male population attractive enough to rate their election as one of the Record's beauties, he wanted to know. Well, readers, how about it?

BITS N' TIPS

Bill Tillman, better known as "Wolfy", has an act that rates being featured in the center ring of any circus. Each day after school about a dozen students of all shades and sizes cram into his 19?? Ford Coupe. What this boy needs is a good can-opener.

Modern science sure has done a lot for today's woman—she can now have her choice of red, blue, or black legs. Devotees to the fad

Honorias Takes Bow For Dimes Project

Diligent and industrious, are the members of Honorias, as they return in the new year to maintain once again their many school and community services. One of the club's new year's resolutions is to serve all better, to the best of their ability.

Just recently the girls have donated their time and effort to the March of Dimes. Early in January, they joined the usual Mothers, who perform in this charitable work, to collect the donations from the various assigned sections of Hialeah.

This is the second year that this worthwhile organization has received the help of Hialeah's own Honorias.

include **Joyce Grassman**, **Sally Morris**, **Judie Killough**, **Ruth McCormick**, and **Judy DeLay**. I can't wait 'till some of the males join the fad! Wouldn't **Bill MacIver** look cute in red!

Bob Ankrum certainly is a guy of unusual taste! He caused a minor sensation one morning by waltzing with a dog in the main entrance hall. This guy really has gone to the dogs!

From a secret source comes the news that one of Hialeah's outstanding football players, **Randy Harper**, has a special aversion to pink ribbon. It might be interesting to find out why.

"WHAT HAPPENED!" CRIES KEY

"Somebody bad stole 'de the Key Club banner" might be H.H.S.'s Key Club anthem. Through some mishap, the banner has been lost, misplaced, or "borrowed". The club just hasn't been the same!

HI-Y HAS REBIRTH

This year's Hi-Y, one of Hialeah's active service clubs, has started to move again. Its members, complete with new pins, will set up book chutes in the library as they did last year.

Key Club Banner Sought by Many

The original Key Club banner was last seen Monday night, Dec. 15, at 7:30 in the cafeteria at the annual H.H.S. "Football Banquet".

There were many people at the banquet, football players, coaches and their wives, teachers, cheerleaders, Honorias, Aqua-teens, H-Club, Key Club, Kiwanis Club and Wheel Club members. The banquet proceeded along its usual lines, until 10:30 when everyone went home, even the banner, the question is with whom?

It is well understood the Key Club and the Wheel Club are great rivals, and often indulge in little excursions which give great joys to the members of each club, but the Wheel Club wouldn't take the Key Club's banner, WOULD THEY?

Who's got the Key Club banner?

P.T.S.A. Features Jr. Class

The Hialeah High P.T.S.A. meeting was called to order by the President, Mrs. J. E. Blankinship in the school cafeteria, Tuesday evening, January 6.

The program for the January meeting featured the Junior class. Teachers, counselors, and principal, Mr. E. G. Pease, were available for private talks with the parents about students. The meeting gave the parents the occasion to meet with the teachers of their children to discuss subjects, grades, and attitudes.

Counselors from the Guidance Department gave suggestion as to the recommended courses for the seniors going to college next year and those entering the business field. Hints to promote better study habits with the students were to be encouraged by the parents.

After the conference between
