

# Art of Taking the Wheel Must for Juniors

"Hey! Move over!" "Get out of the way." "Who said girls could never learn to drive?"

These are remarks that will soon be heard from some of male juniors of H.H.S., for required driving classes will soon be making their debut. But girls defend themselves, for boys will also be on the roll.

Next semester will bring about a great change in the schedule of students at Hialeah. Homeroom will be moved from 8:30 to between first and second period, and first period will start the day. This change is being made to coincide with the new driving program.

Safety precautions are being taken by giving high school juniors a course in the "art of taking the wheel."

City officials believe that the new program will promote a new standard in safety, while giving the students a good opportunity.

Classes will last the regular home

# Calvert Continues Winning Contest

Famed for her twirling and strutting attributes, senior Bev Calvert continues entering and winning many contests.

During the Orange Bowl festivities, an open national twirling contest, the Orange Bowl Twirling Galaxy, took place at the North Miami High school football field. Girls from many states competed, but were no match for Hialeah High's Baton soloist, Bev Calvert. She won first place and a trophy for her outstanding performance.

Other titles this talented girl has obtained include: 1st place in the State Strutting Contest, in Largo, Fla. '57; 1st place in the State

# Christmas Assembly Is Hailed as Fantabulous

"You have heard the best high school orchestra in the state of Florida," stated Mr. Everett G. Pease, principal of Hialeah High School, at the annual Christmas program, held in the auditorium Thursday, December 18, 1958.

His statement was reinforced by the enthusiasm of the entire student body attending the 2 one-hour assemblies. Orchestral selections were "Sleigh Ride," "Santa Claus is Coming to Town," "White Christmas," and "Ebb Tide."

Following Mr. Sherman Conn's group of musicians, the chorus under the direction of Mr. William Inglis, provided listeners with a selection from Handel's Messiah: "For Unto Us A Child Is Born." Changing the mood, they sang a "Calypso Carol."

Mr. Joseph White, dramatics instructor and acting master of ceremonies, hailed the orchestra and chorus as terrific and "fantabulous"—adjectives which suited the applause of the audience.

# Jrs. Sponsor Fund For Senior Prom

Juniors are sponsoring a magazine drive during the week of February 10th. The magazine sale is the only fund raising project authorized by the county for junior classes.

Juniors are now collecting subscriptions to earn money for the Junior-Senior Prom. There will be a whole week strictly for collecting money but now it is only for subscriptions.

There is almost any kind of magazine one would want to read in any field of interest, out of about 118 magazines.

There will be prizes for the top three selling the most magazine subscriptions. They will get for, \$30 worth of subscriptions 1 silver dollar, for \$100 worth, 5 silver dollars, in addition they will have their choice of 3 stuffed animals, an autograph hound, a big tiger, and a little dog with squeaky ears.

# Snappy Huntsmen March in O. B.

The Thoroughbred band, in their eye-catching, huntsmen's uniforms, proudly marched in the Orange Bowl pageantry, which consisted of the parade and the pre-game and half-time shows. This was the third year that the Hialeah High Marching Band has participated in the annual King Orange Jamboree.

# Ensemble Sings For TV Classes

The 5th period Ensemble Chorus supplied the students of the television 5th and 6th period classes with 45 minutes of good entertainment, as they presented music of all kinds and times. The wide range of music selections were Christmas songs, modern dance, a song from a musical, and even an arrangement written by one of its own members.

Featured in the group were Bill Baughn and Sheala Thompson who did a modern dance routine to a popular song of Elvis Presley's, New Orleans. Acting as master of ceremonies was Bill Baughn. Also included in the numbers done by the girls were "Sing You, Sinners," "Silver Bells," and "Winter Wonderland."

"Rock-on On The Reef," arranged by Don Griffin was sung by Don and his combo. Dianne Smith sang "Fever," and Judy Garland's "Trolley Song." Dee Dee Dessel sang one of her numbers "Santa Baby" and Gloria Martinez did "Can't Help Loving That Man Of Mine." The show concluded with Dianne Smith singing "White Christmas" and the entire audience joining in on that and other Christmas songs.

All songs were accompanied by Mr. William Hughs, choral director.

As the band entered the field for their pre-game show, they played Hialeah High. The majorettes did a Latin American dance routine to Mambo Jumbo. "Bugler's Holiday" was played as they snappily exited from the field.

Members of the band stated that they heard many complimentary remarks from some of the people which thronged the stadium.

# Classes Hear Talk By Famous Jurist

Several classes of Hialeah High School were fortunate enough to hear Mr. Julian Benjamin, a member of the Dade County Bar Association, speak on the subject, "What Capitalism Means to the American Way of Life," on January 7.

The classes he spoke to were Social Studies classes, and his speech was very enlightening to them, as many of the students are discussing related subjects in their classes.

Mr. Benjamin's talk covered American ideals and how they compared with those of Communist countries. He also brought out some communist history and compared it with the history of the democratic way of life.
