

# Harper, Krtausch, Peterson, Starling Win Football Awards

Despite the absence of Ralph Jordan, Head football coach from Alabama Polytechnic Institute (Auburn), Hialeah's Fourth Annual Testimonial Banquet went over with a bang.

Highlight of the evening's session was the Most Valuable Player Awards for 1958. Randy Harper won the Outstanding Varsity Football Player Award as well as the Wallace G. Ledford Most Valuable Football Player Trophy for defensive play. Dick Krtausch took the honor for offensive maneuvers.

Doyle Peterson was honored as the Best Blocker and Bob Starling was the Outstanding 10th Grade Football Player.

Past Lieutenant Governor of the Kiwanis Club, Ray T. Sterling, served as Master of Ceremonies for the evening. Mr. Charles Ashworth gave the welcome in place of Mr. Everett G. Pease, Principal, who was unable to attend.

The menu consisted of Fresh Florida Fruit Cup, Roast Beef, potatoes, green beans, apple pie, milk, and coffee.

Head Coach Harold Lannom introduced the coaches, and the Hialeah High Cheerleaders made an appearance to cheer in dresses and high heeled shoes.

Mr. Jordan had attended a banquet in Bartow the night before and drove to Miami, even though he had not felt well. He wanted to attend but Coach Lannom realized it would be better for him to rest. This was the first banquet he has missed since becoming head coach at Auburn.

Members of the Kiwanis Club presented trophies to the outstanding player for each of the 1958 football games. The winners were: Lou Moran, Naples; Jerry Sullivan, Central Catholic; Bob Hooten, Ft. Lauderdale; Paul Donaldson, McArthur; Bill McIver, Edison; Doyle Peterson, South Broward; Bob Tafel, Stranahan; Randy Harper, Jackson; Mike Little, Miami Beach; Dick Krtausch, North Miami.

Hi, there, from the TOP FORTY SHOW on WQAM. I must say right off the bat I certainly enjoyed playing the sounds for our big dance at the Hialeah Municipal Auditorium the other night (9th). We had a huge ball honoring the football players and the basketball players who were with us.

Many of the gang were interested in BOBBY GAY who is currently heading toward the top of the ladder towards a record contract. He and BILLY SHEPHERD were among the live vocal sounds of the night. I hope we can meet again on Feb. 20 when once again we'll have a big TOP FORTY RECORD HOP at the Auditorium.

Things are up full steam again for the TOP FORTY SHOW each Wednesday night at RUSTIC ROLLER RINK. We're there with many of the Hialeah students every Wednesday evening from 8:15-10:30 p.m.

**WAX TO WATCH:** Keep your ear on "Sally", the newest by the Kingston Trio; Dean Martin's newest, "It Takes So Long To Say Goodbye", should hit the charts very shortly. The newest pic's on WQAM, Joni James: "There Must Be A Way" and Pat Boone's "With the Wind and The Rain In Your Hair" are spiraling up sky high—as did Patti Page with "Trust In Me."

Many big stars are being lined up for the huge Bayfront Park Dance sponsored by the B'Nai-Brith Youth Organizations in South Florida.

It's the TOP FORTY RECORD HOP Thursday, January 29th at the Bayfront Park Auditorium with an 8 p.m. start . . . should be one of the biggest blasts in South Florida in a good while . . . it's right before mid-semester recess.

# Kasper Names 1959 Tennis Team

"Love" has returned to Hialeah High. The reason is not the spring months, but the beginning of the tennis season under the direction of coach Jack H. Kasper.

At the present time, the squad consists of twenty-three players. They are: Ronnie Kirschbaum, John Stevens, Susan Charles, Jerry Ginader, James Mazurek, Irwin Serotta, Bonita Brodt, Sandra Smelser, Rodney Tison, Bob Cheetham, Bill Halfacre, Betty O'Grady, Pat Kwentter, James Shelby, Margaret Goff, Ann Dotson, Gloria Miller, Jane Rogers, Betty Kraus, Cindy James, Harold Medero, Christine Burnside, and Kathy Reiner.

Hialeah's first competition on the courts will be against Southwest, January 23, at Coral Gables. The season will consist of twelve Gold Coast Conference matches, including a clash at Key West later in the year.

Coach Kasper has appointed Susan Charles and John Stevens tentative captains of the squad.

"With the exception of a few players, the squad is still inexperienced," reports Coach Kasper. "Anybody can still make the team."

## 1954-1958—FIVE GLORIOUS YEARS IN T-BRED HISTORY

A new year has again begun and Hialeah High enters its tenth semester.

Since the opening of this beautiful institution more than five thousand "Thoroughbreds" have seen glory in our outstanding sports program and the students participating in them.

Head football coach, Hal Lannom, took a group of boys that he didn't know from Adams and gave Hialeah a winning football season in their first year of football, five years ago. Since then, although the records haven't been outstanding until this past season, our athletic director has pushed toward giving Hialeah a football team for the students to be proud of.

Every boy who has participated in varsity athletics has played, not only for himself, but for Hialeah High.

We must not forget the students and alumni who gave the teams the backing they deserve.

I was enrolled when the doors opened for the first time in 1954 and am proud to have played a part in the greatness that H.H.S. stands for.

As a resolution for this new year, let us all strive to uphold the things that our school stands for, and may we renew this resolution in each year that follows.

## HIALEAH CAGERS STATE CHAMPIONS?

With no holds barred, I predict that "Hialeah's Fighting Five" will down 21 straight opponents during the regular season, then beat Coral Gables and Miami High on March 6 and 7 to win the District Eight Championship and earn themselves the role as "favorites" in the Class AA State Tournament in Gainesville.

They will live up to their position and bring home the State Championship.

I also predict that Berne Butts will break the city scoring record and that the Thoroughbred star will be tops in the All-State Poll for "Most Valuable Player."

The T-Breds will also smash many Gold Coast Conference records in their initial season in the Conference.

Daytona Beach Seabreeze should find all Class A teams (except Pompano) easy pickings this season. They have already won six games in a row.

## ELSEWHERE AROUND THE COUNTY—CAGEWISE

Many individual players are leading the way for their respective teams this season.

Tom Baxley is North Miami's leading scorer and court man. The Pioneers started off their season on a bad note. Pete Someringdyke and Buddy Coleman are Miami High's one-two punch. We'll find out just how good the Stings are tonight when they meet our Thoroughbreds on their home court.

Ronnie Poh carries the bulk of Edison's hopes. The Red Raiders lost their complete starting line-up from last season and haven't come up with anything better to give them hopes of a winning season.

Ernie Yaroshuk has put Jackson back on the winning road but the Generals have nothing to brag about. Verle Beebe, West Palm Beach's star forward looks like a good bet for an All-Conference berth.

# Giberson Captains Golf Squad

Phil Giberson, one of three returning veterans, will captain the 1959 Golf team under the direction of Coach "Cozy" Dolan.

Malcome Cohen and John Turan also return to the Thoroughbred squad. Others include Mike Allan, Douglas Mattox, Charles Knepp, Robert Johnson, and Andy Caffarelli.

Coach Dolan said "These boys will vie for position this month. The best score determines their position."

The tentative schedule consists of such teams as North Miami, Jackson, Edison, Miami Beach, South Dade and Coral Gables.

The Gold Coast Tournament will be held on April 9, 10, 11, probably in Ft. Lauderdale.

The State Tournament will be one week later (April 16, 17, 18) in Jacksonville.

This year's T-Bred squad is young and inexperienced for the whole, but should pull through as the season starts.
