By Pat Curtis

COLUMNIST HAS "PROBLEMS"

The popular song, "Problems" is this gal's theme song. The reason? My news sources have been scraping bottom and come up empty! What's the matter with you guys? But . . . before you breathe those sighs of relief, I still have a few little items to divulge.

QUOTES THAT WILL LIVE

"Chappy" Saxon, exclaiming in the cafeteria, "Terry, come home; I need you!" And then, there was John Olivero, after opening his birthday gifts from Dan Harbolt and Alan Corrigan, "Just wait until your birthdays!" Pat Deese had this to say: "Where did all the boys go?"

JOURNALISTS SEE STARS!

After seeing a preview of "The Perfect Furlough," H.H.S.'s representatives broke all records streaking to see Tony Curtis, who had just stepped off a train at the F.E.C. station. Jo-Ann McCranie asked, "Can I shake your h and?" His reply, "Sure, honey!" Wanda Capelletti's reaction was, "Gee, he's kinda' short!" Don't give up hope, fellows, he's in Key West now.

BANNER MONKEY BUSINESS

After being bombarded with angry words from Key and Wheel members, I have two words to say about the "Banner, banner,

who's got the banner?" situation—No comment!

LETTER WINNERS WANT COLD WEATHER

About the only sane people who want cold winds to blow in Florida are the members of the Big-T's who were awarded letters at this year's football banquet. The letter jackets arrived just recently, and can be seen, displayed proudly upon the backs of several H.H.S. "iron men".

THINGS WE CAN DO DO WITHOUT

The adult spectator sitting next to you at a basketball game who went to the opposing school, and never let's you forget it until his team is losing.

Tri-M Sponsor Presides as State Sponsor

During the Florida Music Educator's Clinic in Tampa, January 8, 9, and 10, the sponsors of M.M.M. Chapters met in the Starlite Suite of the Hotel Hillsboro. The presiding State Sponsor was Mr. William J. Inglis, also sponsor of the Hialeah High Chapter.

Tri-M president Bill Baugh states "It is a great honor and privilege to have our sponsor, Mr. Inglis, elected State Sponsor for the second consecutive year, and that Chapter No. 192 is happy to know that Hialeah High is, for the second consecutive year, the Home office for M.M.M."

It was related to the press that the State unit is growing rapidly, and that a tentative convention to select state student officers will take place in April, either in Haines City or Hialeah.

Student Council Establishes I.C.C.

At the student council meeting of January 13, it was moved that we should establish an Inter Club Council. A committee was assigned to form the I.C.C. and John Olivero was appointed chairman.

The first meeting was the next morning, the 14th, in the activities office. Many important things were discussed and decided upon. The meetings will be held each Tuesday morning and all clubs of H.H.S. are urged to send a representative to each meeting.

The purpose of the I.C.C. is to establish a friendly relation among the clubs, and to meet in an adult manner, the problems which may arise during the school year.

Hi-Y Plans to Choose Valentine Sweetheart

DISCUSSING THE UP-COMING Hi-Y Sweetheart Valentine Dance are Pat Cusack, Vernon Futrell, President of Hi-Y, and Ray Robinson, Vice-President.

Featured this week on our club page is Hi-Y, a service organization for boys of high school age, sponsored by the Young Men's Christian Association.

Evidences of the clubs work are the handsome library book deposits which are based on the same principle as the after-hours depository at local banks. These chutes, located at convenient places throughout the building are to save time and steps for the students. Vernon Futrell, the club's president, expressed hopes that Thorebreds would recognize the value of these book deposits and, most of all, use them.

One of Hi-Y's biggest projects is the annual Hi-Y and Y-Teens Sweetheart Dance which will be held February 7, at the school cafeteria from 8 to 12 o'clock. Tickets can be bought from members of either club, \$1.50 drag, and \$1.00 stag. Bob Palladino, one of Hi-Y's active members exclaimed that he felt the dance would "be one of the school year's best dances!"

To strengthen the "brotherly" ties between Hi-Y and their sister club, the boys invited the members of Y-Teens to a weiner roast at the Hialeah-Miami Springs Y.M.C.A.

HHS Sophisticates Attend Telethon

The clubs of H.H.S. are always doing something for people of the community and surrounding area. At Christmas time Key Club sponsored the baskets for the needy, and now Tri-M is helping the Cerebral Palsy children. Every Tuesday an alternate group of members go to the Cerebral Palsy Home for the children and help them with their rhythm and co-ordination. The chairmen in charge of the arrangements are Barbara Sellers and Eileen Braner.

Sunday, January 18, a group called the Sophisticates went to the Cerebral Palsy Telethon and sang for the children. This group consists of:

Gloria Martinez, Barbara Sellers, Judy Mason, Lou Ann Polic, alumni, Bill Baugh, Tri-M president, Don Griffith, Ronnie Cyril, alumni and Bill Dunsel, alumni.

Honoraria Plans Months Ahead As the New Semester Arrives

Dipping deep into her pockets, the Honoraria Club of H.H.S. pulls out a newly initiated member and stands her firmly on her feet. Then important orders are issued straight from the boss, Donna Hermansader, president. Vacation

is over, a new semester looms ahead and there is plenty of work to be done, projects planned and services for the school carried out.

In accordance with these orders, old and new members, man their satellites and "shoot into orbit." The possibility for a Bob Green dance in the future is being con-

Jr. Debs Install First Officers

The first officers of the Hialeah Junior Debs were installed on January 18th at the Adult Community Center. Mrs. Duke, President of the Junior Woman's Club which sponsors the Debs, acted as installing officer. The new officers are Karen Sjogren, President; Vicky Campbell, Vice President; Beverly Dugger, secretary; and Arlene Guenard, treasurer.

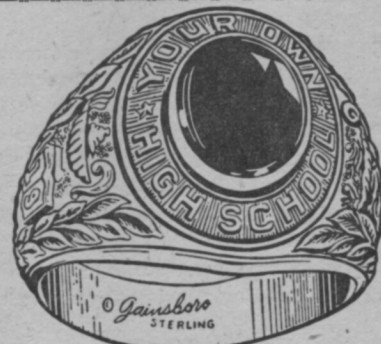

Mrs. Walsh, founder of the Hialeah Junior Debs, acted as toastmistress. She told about the aims of the club which are (1) to give teen-agers club sense; (2) to be of service and (3) to plan and have fun together.

The president's reception followed the installation during which time, the members became better acquainted with their officers. Cake and punch were served.

Future Nurses Prepare Careers

The Future Nurses are preparing for the experience of becoming a nurse. Many of the senior girls are entering the beginning of the three year course in March of 1959.

The girls have to have a personal interview by a member of the staff. Applications have to be filled out and questions answered concerning the girl's history and background. A certificate must be shown proving the girls have had a complete physical, all their shots and their boosters, also a dental record must be shown proving that the teeth are in perfect condition. School records must be examined and references must be used.

Jr. Civitan Club Guests at Dance

Jr. Civitan Club of Hialeah High were the guests of their parent club, the Hialeah-Miami Springs Civitan Club, at a dance held at Boyd's Dairy Bar-B-Que Pit and Pavilion on January 29.

Latest figures from the recent and still in progress, Jr. Civitan fruit cake sale of Nov. and Dec. shows a net profit of \$80. However, cake is still being sold by Civitan members. The top fruit cake salesman was Ronnie Kirshbaum.
