By Beverly Jernigan

Acting as editor of the girls' sports page is a new experience for me, as I will be honest, I have never had too close an association with the girls' physical education department other than my three previous years in required physical education.

Making my job a successful one not only depends on me, but on the cooperation I get from news sources, reporters and even you, readers.

Any ideas or criticisms you may have will be greatly appreciated by me if you will only let me know. All help anyone can give, will be graciously accepted and delightfully received.

This page is not restricted to girls only. Boys are asked to pay attention to the happenings and reportings within this space and voice your opinions.

### Basketball Officiation Begins:

Monday, February 8, girls interested in basketball officiating began studying. Their studies were in preparation for several basketball officials' tests to be given to judge their proficiency in officiation.

The passing of one test gives these girls an intramural rating for school rulings, while passing a local test gives them powers over Greater Miami games.

### Girls Have Mascot—Likened To B.B.

Bernie Butts has a rival for basketball king. He's white, with brown spots. Sounds funny, doesn't he?

Well, the gentleman in question is a small, brown and white mutt puppy, who just loves to play with bouncing basketballs.

Miss Alleine Swain, whose class was the first to notice him, presented him with an old, half-deflated basketball to play with, as he kept taking the ball away from the girls as they played.

The new mascot of Girls' physical education classes was taken immediately to the hearts of all the girls.

### Basketball Certainly Our Forte

Hialeah High certainly can be proud of its outstanding successes in the field of basketball. Successes involving not only the boys' varsity and junior varsity teams, but our girls, A and B basketball teams as well.

It has often been said that almost anything Hialeah High does turns to gold; and this is certainly true of our sports participations.

We can be especially proud of the recent accomplishments of our girls' basketball teams. Their success proves that girls of Hialeah High are as good as the boys.

# Hialeah A and B Teams County B.B. Champs

GIRLS' TENNIS TEAM make plans for future wins. They are: Right to Left: Susan Charles, Captain; Pat Kwentner; Janet Youlden; Bonita Brodt; Jane Goff; Ann Dotson; Sharon O'Neil; Madeline Castner; Betty O'Grady; and Cindy Jones.

# Net Team Hopes for No Love

Although many of the tennis team players are new and inexperienced, they are expected to improve as the season progresses.

Their first match of the season was against Southwest, Thursday, January 28, at the Municipal Auditorium courts.

Although they lost the match, it was not a shut-out. The match scores were 3-2 boys, 3-2 girls.

Susan Charles and Pat Kwentner held the winning slots for the girls, while John Stevens and Otis Pewitt won for the boys.

Wednesday, February 4 was the team's second game. It was against Stranahan, who was a little more experienced and they won, 5-0 boys and 5-0 girls.

Every Wednesday, and Thursday the tennis team sincerely and though somewhat inexperienced, practices hard and vigorously for the up-and-coming matches.

John Stevens who is a junior, and is in his second year with the team, is captain for the boy's team. Three-year letter winner, Susan Charles is captain of the girl's team.

"This year is a period in which we must develop the players in to a more unique and individual style of playing, since most of the athletes are quite unskilled and need more training. By next year we should have one of the best tennis teams in the County with, of course, a little more help", stated veteran Susan Charles.

# Bowling Team Ahead in League

Winner of the first semester, Girls Bowling League is team 10, on which are Karen Burnhart, Nancy Riegler, Donna Scott, and with the highest average for the winning team of 133 going to Sandy Toth.

Lin Hull bowled the highest average of 189 for the league.

Besides the winners of Tuesday's leagues, the championship is being sought after by team 5 in the lead, on Fridays. Only a few more sets of games need to be played to determine the winner.

# A'S SHUT OUT ALL OPPONENTS

H.H.S. girls' A and B basketball teams played a brilliant series of games as they came out on top to win the Dade County Championship, Southern Division; by beating South Dade, Southwest, Palmetto, and Miami Beach High Schools.

Hialeah 19, Southwest 12  
Hialeah 16, South Dade 6  
Hialeah 20, Palmetto 6  
Hialeah 2, Miami Beach 12

# B's MAKE IT A PERFECT DAY

The equally proficient "B" team consisted of: Captain, Leanna Lofland, Judy Frazier, Carol Albury; Sunny Hayes, Pat Jettner, Carol Curry, Carolyn Pritchard, Carolyn Smith, Maureen Burns, Josephine Bonanno, Joann Woolf, Diane Craft, Mary Nell Hamilton, Betty Bucko, Sandra Schmidt, and manager, Barbara Deater. Miss Quinn Kelley was the coach. Sandra Schmidt was the leading scorer.

The scores for the B team games were:

Hialeah 10, Miami Beach 5  
Hialeah 16, Palmetto 4  
Hialeah 12, Coral Gables 7  
Hialeah 6, South Dade 4  
Hialeah 14, Southwest 10

Because of the five minutes in each quarter, girls' basketball games are very short. This is why the scores are so low.
