

HIALEAH HI-JINX

By Pat Curtis

Three cheers for the hard-working members of the junior class who bettered last year's subscription profit! With the setting of a few minor problems, prom plans will near completion.

INTERESTING TO SEE—

Joycelyn Wise becoming "unglued" in Mrs. Frost's fourth period English class.

The "ungluer" was Phil Giberson . . . Charter members of the Beard-Grower's club, Richard Curwell, Don Powell, and Doyle Peterson, have been joined by John Denton, Dave Ryan, Dan Harbolt, and Bob Ankrom. Incidentally, according to the Saturday Evening Post, the record breaking beard reached the astonishing length of 7 feet and 4 inches. How close will H.H.S.'s longest beard come to breaking the record long about Sadie Hawkins Day Dance?

Thespian Dance To Celebrate St. Patrick's Day

Hialeah Thoroughbreds, grab that Shamrock, blarney stone, and green attire because St. Patrick's Day is just around the corner.

This year like every year, the National Thespians, will hold a dance in order to celebrate this great day.

The event will be held in the cafeteria, on March 17, where there will be a festive atmosphere, because everyone will be dressed in green. There will, also, be a prize for the cutest dressed couple.

Refreshments will be available, and there will be plenty of entertainment.

BITS N' TIPS

Lester Cunningham, dubbed as "Smart Pork" by friend and foe alike, has been chosen "the boy we'd most like to throw out of bookkeeping class" . . . Bob Shalley's taste have gone exotic—he brought fried grasshoppers and golden fried butterflies to school for lunch! Anyone for chocolate-covered baby bumblebees?

AMBROSE, PART 50

Terry, why do we always have to walk in a subway tunnel?—so all right already—I'll pay you back the money I owe you!"

Always equipped with his treasured camera Donnie Dewhurst, the RECORD'S photographer, has rescued many a maiden in distress, and on several occasions, saved the RECORD!

YOGA, ANYONE?

Paul Donaldson, reminiscent of movie star, James Dean, and equally as controversial, has promised to go into a trance in the main entrance hall. This is the END!!

Anchor to Furnish HHS Auditorium

Anchor club of Hialeah High School, have been preparing since the beginning of the year, to present to H.H.S. the much needed furniture in the auditorium. Now their dreams are finally beginning to take shape. In the beginning of February, a committee of three consisting of Janice More, Nancy Riegler and Nelda Byram visited many of the greater Miami area's interior decorators.

The committee having reported, the final plans are being composed. Anchor members sincerely hope that the students of H.H.S. will appreciate their efforts. They aim to complete their task before the Senior class play.

Many Present at DCT Convention

Hialeah High was well represented at the convention given for D. C.T. and C.B.E. students at the Everglades Hotel, on Friday, February 13.

There were many highlights of the day. Among them was the tour given for the boys through the Naval Boat the "Mine Sweeper." A telephone demonstration was given where they called directly to Honolulu, Hawaii, and also to the commanding officer in charge of Cape Canaveral.

A banquet luncheon was held in the hotel after which the county-wide officers were elected. Representing Hialeah from last year were Gale Stemmer, President and Edward Jennin as Vice-President. This year Dale Bennett will hold the honor of Vice-President.

On April 9, members of the club are anticipating the annual Employee-Employer Banquet to be held at the Bayfront Park Auditorium. Guests will be the employers of the members of D.C.T. and C.B.E.

Y-Teens Gay As HHS Dancers Swing and Sway

"Swing your partner 'round and 'round," a familiar phrase at the Saturday night hoe down held at Hialeah High on February 28. What a night it was! With square dancing here and square dancing there, everyone had a ball. Chickens asking the roosters for a change created a topsyturvy for everyone. Everyone brought box lunches, unless some, more fortunate, boys had their girls bring theirs.

The Square Dances were called by Mr. D. Baylis. It was sponsored by Y-Teens and Jr. Civitan. The YWCA played an important part in the event.

PRACTICING THEIR NURSING KNOW-HOW on Barbara Wilewski, Vice-President, are Ruth Tate, F.N.A. President, (kneeling and standing) Betty Bucko, Jackie Brower, Mary Rhea, and Penny Wallace.

F. N. A. to Select 2 Delegates To Attend State Convention

Among the many projects Future Nurses of H.H.S. are busily engrossed in is the important upcoming annual state convention which is to be held in Orlando, Florida, on April 2, 3 and 4. Although, only two delegates will be chosen to represent Hialeah but those receiving this honor can be assured of obtaining an abundance of information concerning various subjects, as well as having the opportunity to meet many new friends from all over the state.

Among previous projects which have successfully and completely been carried out, is the first field trip, which the members took to the University of Miami, where they were able to attend an F.N.A. District meeting.

Also, as Easter draws near, the process of planning their annual Easter project comes into effect. As it has been traditionally carried out, F.N.A. has been of service to the Poinciana Nursing Home in Hialeah, to which, at Christmas time, they supply each patient with a present. And cards are, likewise sent to the patients on their birthdays.

Having been organized since October of 1956, the club has prospered and with the ingenious help of its officers; President, Ruth Tate; V-President Barbara Wilewski; Sec'y, Jackie Brower; Treasurer, Mary Rhea; and Chaplain, Betty Bucko, and its many supporting and outstanding members, it will withstand and endure any dilemma which should arise, with the utmost of ease.

National Forensic League Elect New Officers And Introduce Club Reorganizational Plans

National Forensic League of Hialeah High has elected new officers for the school semester in 1959. Heading N.F.L. as president, will be Larry Castro. The other newly chosen officers, consist of Eddie Fairbanks, Vice-President; Judy Hughes, secretary; and John Burkowski, treasurer.

"This national debate society hopes that with the election of new officers and a reorganization, it will be able to function in it's proper aspect," staid Larry Castro, newly chosen President.

In trying to obtain new members, present N.F.L. members are attending all English classes, debating, and showing the process of debating. The members tell the students the rules, types of subjects which they debate on and how to lose and win the correct and appropriate way.

Mr. Floyd Boice, the sponsor of the N.F.L. is willing to discuss all

matters concerning the debate team with any H.H.S. student, who wishes to join the organization, and is interested in knowing the requirements for membership. He holds his office hours after school in Room 808, for those seeking this information.

Upon joining N.F.L., members will travel to various schools, and compete for first place. The members learn the correct manner of speech, how to choose the right type of subject to debate on, and how to express themselves, so that the judges may award exera points, for a display of outstanding work.

Also, on the agenda for the re-

maining part of the year, are many debates with local H.H.S. clubs, as well as student congresses.

Tri-M Ushers for Broadway 'Hits'

A home away from home. This is how many of the members of MMM refer to Dade County Auditorium.

During the summer the organization has the opportunity to usher for some of the Broadway "hits" which come to Miami. The shows usually stay approximately three weeks at once time.

Recently the organization had the opportunity to usher for the Canadian Ballet, Jose Greco Ballet, and the Barber Shop Quartets.

Working at the auditorium enables the members to meet the public and learn how to operate the financial end of the committee. MMM will also be ushering for the 1959 Graduation Class, June 5, at Dade County Auditorium.

Modern Dancers Interpret Life In Outer Space

Have you ever wondered what it is like on other planets? Well, if you fit into this category, drop around to the H.H.S. gym, 4th period, and the Modern Dance class will give you their interpretation of life on the different planets. All planets will be represented, such as the moon, sun, Venus, etc.

Costumes will be used to add to the effectiveness of the dances. Leaps and turns, slides and glides all help to designate the particular planet each group wishes to interpret.
