

CHECKING OUT PLANS for marking lines for the bus loading are Jr. Civitan officers, Peter Perino, Robert Gray, Howard Kernodle, and Ronnie Murphy.

Newest Service Club, Jr. Civitans, Sponsors School, Community Projects

Among the new additions to Hialeah High during the past two years, along with the new wing and faculty members, has been another national service club, Junior Civitan.

Sponsored by the Miami Springs-Hialeah chapter of Civitan International, a men's community service club, the new organization was installed the second semester of last year, at one of the regular elder's meetings at Jerry's Restaurant.

Under the sponsorship of Mr. William Bollick, the club has endeavored to establish a good reputation, in hopes of having a girls' partner club, Civinettes, also join the ranks at Hialeah.

Civitan has been active in many areas during its first year, with fruit cake sales, Easter eggs taken to Variety Children's Hospital,

help with the C.T.A. blood bank drive, co-sponsoring a dance with Y-Teens, and many other school and community affairs.

In preparation for work during final semester, the club has installed new members and officers, and is meeting every Tuesday night, planning a program of activities for the future.

The senior club has been striving to hold events with Junior Civitan, so that the members can become acquainted and discuss club activities. The two organizations held a barbecue in January and at present are setting up plans for a joint formal affair.

Thespians Give St. Pat's Dance

Grab your shillelagh, your shamrock, and put on your green, for the St. Pat's dance, March 17th, in Hialeah's cafeteria.

The dramatics club, Thespians, is sponsoring this holiday dance and will be from 7:30 to 12:00, for the price of 50c stag and 75c drag. Many prizes will be given away for those lucky people who win them.

Besides the traditional popular records, a well-known band will provide entertainment, both rock 'n' roll and popular, starting at 8:30.

For those lucky people who can do better-than-average dancing, prizes will be given, both in slow and fast steps. Also a door prize will be given to the holder of the lucky number and for the cutest dressed couple in the traditional St. Patrick's costume.

"It's going to be a blast," stated John Burnitti, president of Thespians. With the tone of John's enthusiasm, there can be sure of a big time for all.

Refreshments will also be served.

NFL Challenge North Miami

Mr. Floyd, sponsor of National Forensic League, has had students visiting various English and Journalism classes, putting on debates to help arouse interest in the club. If you aren't a member of NFL yet, it is still early enough for you to do some debating so that you can earn enough points to receive your pin at the end of the year.

You don't have to be a brain, as they say, to debate for a certain cause. The debaters learn to debate on a subject whether they are for or against it. They also learn that it is not winning that will necessarily make you a good debater, and which is the most important factor involved.

N.F.L. plans to challenge North Miami to a debating session in the future. Anyone, who would like to participate in this challenge, is asked to contact Mr. Boice in room 808.

Judie Mason Selected Tri-M Top-Notcher

Four times a year the National Office of MMM sends to each chapter, a form on which the name, attributes, and contributions, of some outstanding member is placed. These people are known as "Top-Notchers."

The Top-Notcher selected from Chapter 192 of H.H.S. is Judie Mason, Vice President.

The information included on the form is compared with those of the other 462 Chapters in the nation to select one to be known as National Top-Notcher.

Tri-M has also recently said "Goodbyes" to a very active member, Linda Conger. The organization offered goodbyes again to a very conscientious member, Jill (Sussey) Mosher, a sophomore of HHS. She will be attending school in Michigan.

Future Homemakers Choose Delegate

The Future Homemakers of America have chosen a delegate to attend the FH Convention in Clearwater, Fla. in April.

Mrs. Kathryn Barnes, sponsor of the H.H.S. chapter, and next year's president, Sandi Huff will go with Sandy Wryals, the chosen delegate. To be held in the Hotel Hilton in Clearwater, near Tampa, the convention is a sure success.

The Record Staff knows that Hialeah will be well represented and won't there be plenty of wows to tell when they arrive home to dear old H.H.S.?

HIALEAH HI-JINX

By Pat Curtis

BITS N' TIPS

Dave Ryan deserves an Academy Award for his fine impersonation of a certain referee, enacted after the big game at Nickart's. . . Things were really happening that night — someone or something (ghosts maybe) spirited Sandy Fitzgerald's car from its original parking place to a spot hidden well from view. I've heard of flying saucers, but this takes the cake! Pat Thigpen's "little brother", Stanley, bears a brother-like resemblance to Dick Durgee, but you couldn't get either one to admit it.

TOOTIE FRUITIE

Mr. Thomas Barringer's Science research class has brought some remarkable characters to the surface—most prominent of which is Sara Parise, who cultivates fruit flies for her project. She worries over them like a mother.

ALSO SEEN AT NICK'S

Vivian Holt claims she's one of Hialeah High's biggest moochers and has more fun than a barrel of monkeys doing it. . . Jack Cor-

bitt wins the unanimous title of Pizza Juggler of the Year—his performance have surpassed all comers.

Bill Halfacre needs a "Sugar Daddy" to come up with his spur-of-the-moment loans.

WILL WONDERS NEVER CEASE?

"Wolfy" Tilghman is trading his late model car, late 1800's, that is, for a Model A. Terry's latest quote is, "I'm not going to practice for track. I'm just going to star!" This guy gets worse as time goes by.

Many Arguments Can Be Heard On Club Day

"Regular club meetings should be conducted on school time." This was the statement presented by Mr. Kyle Bright to his 5th period TV history class as a topic for discussion. Several students offered their opinions as to whether they were for or against the proposition.

Arguments against meetings taking place during school voiced the students' objections to shorter classes and interruptions of regular class periods. Those students offering their support to the statement declared that it would encourage prospective club members having a transportation problem or those who have to work after school and in the evenings.

After hearing the comments, Mr. Bright stated that he was surprised to see so few students in favor of the proposal. In fact, of all the members of that history class, Mr. Bright found only one who really "went" for the idea. Don McNeil likes to go to club meetings during school because he gets out of class!

C.C.C. Sponsors New Morning Devotions

Always ready to start something new, the Christian Crusaders Club of Hialeah High School are sponsoring a morning devotional period to be held every Monday morning in room 305 at 8:00 A. M.

One of the many opinions concerning this idea was given, "I think it is a good idea because it will give the students opportunity to start the day thinking of God," stated Barbara Lasseter, a junior.
