

HIALEAH HI-JINX

By Pat Curtis

Greetings, salutations, and all that jazz to all Thorobreds on this long awaited for day! And a special hello to our newly found Romeo—who probably has a few more tricks up his sleeve, so steadies beware... But if the warning comes too late, remember the date, boys, even if you lose yours for tonight!

just a week ago, she was rushed to the hospital in the middle of the night with a suspected appendicitis attack. Luckily, it was a case of acute gastric disorder, which, the doctor explained, had the same symptoms as appendicitis, and was just as painful, but he didn't have to tell Tricia that!

Blonde Judie Killough was prematurely gray for a day as the result of a topsy-turvy slumber party. (If its any indication of the future, Judie will make a good-looking grandmother!)

Mrs. Addie Frost is curious to know why her fourth period discussion groups three and five, which start out situated at opposite ends of the room always end up together. Could be Joyce Grassman is in three, and Will Mainor is in group five?

WATER JINX

Two H.H.S.'ers, Vernon Futrell and Jean-nee Lay, found the sport of waterskiing especially unlucky

At the moment, Vernon is trying not to make a third "strike" with the Florida Highway Patrol, since he has been given two traffic tickets while returning from waterskiing—one more time and he's "out"! As for teeny Jean-nee, she found the sport dangerous even when not skiing... When crossing the beach, a piece of wood lodged in her foot, and Jean-nee hobbled through the halls for several days as a result.

BITS 'N TIPS

Poor Tricia Deese hopes she doesn't have to visit her doctor for quite some time—and no wonder—

FHA Experiment With Cooking

Mrs. Kathryn Barnes, H.H.S. Homemaking teacher, is helping her Future Homemaking Club, by selling cookies to homerooms and to other students who come in wanting to satisfy their early morning hunger.

Previously the girls have baked their own cookies or brownies to sell. They use this money to help send girls to different affairs and to buy extra food that they experiment with, by cooking it. The club consists of fourth year girls who are willing to work and put in plenty of extra work.

Not too long ago they all had a chance to bake a wedding cake. So the girls combined their efforts and baked a white cake trimmed with silver frosting and braid. With the extra money that comes in, they are learning new ways to prepare food and how to make a meal into a beautiful banquet.

All students wanting to buy cookies may come before first period and purchase them from Mrs. Barnes.

Honoraria Awards Annual Trophy To HHS Citizen

Eight students were recently nominated for the "Outstanding Citizenship Award" to be presented by HONORIA Service Club at the Awards Assembly next month. The senior, either a boy or girl, of H.H.S. selected for this worthy award will receive a trophy from this club. The basis for selection will depend on character, leadership, friendliness and true Thoroughbred spirit.

Contributing to the success of the P.T.S.A. Family Night Jamboree, members of Honoraria helped with the decorating of the cafeteria as a service to the school and community.

At long last, the signboard project which extended over a two-year period has almost drawn to a close. The hugh cement block sign located on the athletic field will have Hialeah High Thoroughbreds printed in large bold letters signifying the name of the school to by-passers on 4th Avenue.

Aqua-Teens to Tap

Preparing for their up-coming task of tapping, on April 9, are Aqua-Teens. This newly originated H.H.S. club previously invited all girls interested in joining to attend one of their meetings. Besides the written application, each applicant is also required to pass a swimming test, composed of distance swimming and general water ballet forms, patterns, and dives. In completing the test, the girls must finally meet and compose an original water ballet.

LINDA TROUT, JOYCE GRASSMEN beg their respective beaus, Otis Pewett, and Will Mainor, to go with them to the Sadie Hawkins' Day Dance being sponsored by Wheel Club on April 10.

Wheel's Sadie Hawkins Dance Anxiously Awaited by T-Breds

Take to the foothills, all you able-bodied bachelors—THAT DAY is coming soon! Originating from the comic strip, Lil' Abner, Wheel Club's annual Sadie Hawkins' Day Dance gives the female of the species a chance to reveal her light o' love by asking him to the dance... Needless to say, the event has been long awaited for!

The winners of the much publicized Beard Growing Contest will be announced—much to the delight of patient girl friends anxiously awaiting the "Shaving-Off Contest."

Music will be provided not only for fast and slow dancing, but for

a smattering of good 'ole country square dancing. Prizes are to be given for the best dressed "hicks" of the evening. Publicity chairman, Larry Camp, let the news leak out that there will also be some surprises in store for the "Dogpatchers." He claims the dance will be "the best ever put on at Hialeah!"

Festivities will start at 7:30 and last until 11:00 p.m. Girls must pay 50c stag and 75c drag—so start preparing guys n' gals—April 10 is the big day!

MMM Sponsors Annual Interclub Talent Contest

If you possess a talent that you feel is quite outstanding, you will have the opportunity to compete and find how you stand.

MMM will sponsor the annual "Interclub Talent Contest," May 2.

Each club in the school will be sponsoring some talent. The talent does not have to be a member of that particular H.H.S. club.

The judges will be three prominent members of the community who are not directly acquainted with the contestants.

The winners will be awarded a replica of a large trophy which will be placed in the show case. On the large trophy will be the inscription of the sponsoring club's name.

Previous winners include David Frazier, piano soloist, who was sponsored by the F.F.A.; and Beverly Calvert, fire baton soloist, sponsored by Honoraria.

Service Clubs Incites Basic Needs, Wants

Do you fully and completely understand the purpose of "good" service clubs, and just exactly what part they do contribute to the functions of a well-run school and its student body?

Too many of us consider these clubs as merely being a social gathering or function. But we are actually overlooking the most important role they do play in each student's life, who is an active member of such a club, which is the character, leadership, and responsibility, it establishes in each individual personality.

Although, too often these excellent qualities are somewhat hidden within ourselves, it therefore takes the superb management and supervision of these various service clubs to prompt an individual to ignite these qualities and put them to proper use, in helping their school, as well as their community.

Anchor Holds Nautical Ball At University

"Moon Over Miami" and stars in everyone's eyes can best depict the scene of the Anchor Nautical Ball. The annual dance sponsored by Anchor Club of HHS was held at the Student Union of the Miami University on Saturday, March 28.

The Admiral and Shipmates were selected by the students from a list of sophomores and juniors including: Barney Evers, Glenn Parker, Steve Kallio, Sporty Williams, Charles Kelsey, and Jack Whicker. The admiral and shipmates were chosen from the top three.

The dance was made possible because of the ardent work of the following committees: Tickets, Delphene Rimbart; Location, Janice More, Jackie Weed, Nelda Byram, Nancy Reigler; Entertainment, Barbara and Betty Bucko; Publicity, Fran Epstein; and Decorations, Joyce Grassman.

Tickets for the ball were \$3.00 a couple and the dance was semi-formal.

Majorettes Gain Superior Rating

Bravely and proudly the Thoroughbred Marching Band Major-ette Corps twirled and strutted through the cold, drizzling rain to gain a superior rating in the district band twirling contest held at North Miami High School, March 9th.

Fighting the rain, slippery cement and leftover colds, the eight girl squad consisting of: Karen Harrell, Kathy Headlee, Beverly Calvert, Judy Tuck, Janice Eddins, Linda Trout, Joyce Grassman and Susie Fresh, exhibited their precision in strutting, marching and drill routines under the strict observation of the judge, Mr. Owen Sellers, and the keen eyes of rival North Miami Majorettes. Slipping past district examination with a well-deserved superior rating enabled the vivacious, alert squad entrance to the State Band Twirling Contest held at West Palm Beach next month, to bring home a rating of superior, excellent or good.

Solos, Susie Fresh, Beverly Calvert and Joyce Grassman captured superiors each forming rudimentary twirling and individual routines which combined all requirements and ability to perform without music or drum cadence.

Mr. Logan Turrentine, band director, states, "The corps has established a standard that will make it most difficult to live up to by future girls becoming majorettes. The present squad has been cooperative, outstanding in appearance, neat, and the type of girls needed to make a team."

Future Nurses Send Delegates to Convention To Institute Better Knowledge of Nursing

In an attempt to make nursing a more interesting profession and "iron out" some of its problems, all Future Nurses clubs of Florida will hold their 5th annual convention April 2, 3, 4, at the Cherry Plaza Hotel in Orlando.

Hialeah's F.N. club's president Ruth Tate and Jackie Brower, secretary will represent H.H.S.

A well-organized and well-planned program will be provided. Besides the election of the state officers for the coming year, 59-60,

there will be two important figures to speak to the clubs. Dr. Darrel Mase from Dean's College of Health Related Services and J. Hillis Miller from the University of Florida will speak.

To discuss problems of medical and nursing fields, a panel of well-known medical figures will be given. Guests in professional and medical work will be there.

But as in all business meetings, not all is work. A well planned entertainment program will be given Thursday and Friday. On

Thursday night a Hawaiian Luau and Splash Party will bring laughs for all. A display show and banquet will be given Friday and a last meeting on Saturday and then back to home-sweet-home.

"I am, looking forward to this convention with great enthusiasm. Jackie and I plan to have a memorable time as well as gaining a better knowledge of nursing for our future nursing careers. I deem it an honor to have been chosen as one of H.H.S.'s representatives," stated Ruth Tate, president.
