

Golf Team Wins At South Dade

Hialeah's golf team mastered a strong South Dade team on the greens of the Homestead Country Club to the tune of 3½ to 1½. Medal honors go jointly to Philip Giberson and Mike Allen.

The individual scores were as follows:

- Captain Philip Giberson won 3-4.
- Mike Allen tied for ½ point.
- Charles Knepp won 2-1.
- John Turan won 1 up.

Hialeah again emerged victorious in a "B" team match with South Dade.

Scores:

- Malcolm Cohen won 4-2.
- Robert Johnson won 3-2.
- Andy Caffarelli was defeated 2-1.

The next match was scheduled with Miami Beach at the Miami Springs course on March 18, but was postponed due to inclement weather.

Water Wings For Next Year?

Hialeah can look forward to a swimming team next year if plans formed now develop.

Representatives of some of Hialeah's more avid swimmers recently visited Principal E. G. Pease and asked permission to organize a Thoroughbred team for next year.

Probable sponsor for the team will be Mr. Darrel Johnson, algebra teacher at H.H.S. Those students who are organizing the team hope for all the backing the school can give them.

Hialeah is a fine school and deserves to have a swimming team," states Gloria Martinez, who hopes to be swimming for Hialeah next year. Anyone else with a desire to swim should contact Mr. Johnson.

HHS Boasts Fine Gymnastic Team

Hialeah High's Gymnastics Team opened the season with the romping of Miami High, scoring 83 2/3 points to the Miamians 44 1/3. At the second Gymnastic Meet Hialeah suffered defeat to Southwest in a close 71½ to Hialeah's 68½. The Meet with North Miami High was postponed, and now will come off April 9th, at Hialeah's Gym at 7:30 P.M. Following the meet with North Miami, Hialeah will be the visitors of the Cavaliers at the Coral Gables Gym on April 23rd.

Mr. Regna is very enthusiastic commenting "This year's team, should they continue the hard work and effort, has the possibility of being the best Gymnastic Team that Hialeah has ever seen."

Cochrane--Hialeah Bowling Champ

Tom Cochran, H.H.S. Junior, showed fine form as he won the Hialeah division of the Miami Daily News Junior Tournament. While competing with many other fine young bowlers at Hialeah Lanes Saturday, March 21, spilled enough wood to score a 609 set with handicap. That is excellent bowling in any man's league!

Tom, who has been bowling since Hialeah Lanes opened, competed in the finals at Hialeah on Saturday, March 28, against the cream of the crop from all the bowling lanes in the area. The results from this tournament were not available as the paper went to press.

Teenage bowling at Hialeah has probably grown faster than at any other area in South Florida. With the instruction and encouragement received from the personnel at the Lanes, around ten teenage leagues have been formed

in Hialeah (including the popular physical education leagues.

The News Tournament was held for the first time last year when another Hialeah High bowler won the local semi-finals; Pete Vance shot 637 scratch and 733 with handicap which was the highest score in the first eliminations from every competing bowling alley.

Next year the best of Hialeah's junior keggers will be divided between two houses, Hialeah Lanes and Palm Springs Lanes. Recently opened Palm Springs will be competing with Hialeah Lanes for the best (and all other) of the local talent.
