## Get Hep, Man! Play Baseball

The American game of baseball is back in season again. The Yankees are favored to win the American League race once again, and Brooklyn still remembers the Dodgers.

Thoroughbred Coach Charles Wychunas would probably be the happiest man on earth if Mickey Mantle were to try out for the Hialeah outfield, but unfortunately this is not too probable.

Along with the boys who go out with the desire and the skill to play baseball, there are some who have ulterior reasons for going out. The following is a dialogue between a coach and an aspiring player who didn't make the team:

- Student: Well dad, here I am.  
Coach: What do you want Kid?  
s) Man-like—I'm a star.  
c) You??  
s) Natch—man—I'm a star.  
c) Sorry son, you smoke too much.  
s) Look, Clyde, I'll ditch the weed.  
c) Well, let's see what you can do. Get up to bat.  
s) Like which end of this club do I hold? Crazy man.  
c) OK, Pitcher, toss him a few.  
s) Man, what's that, a marble, I didn't even see it.  
c) That's the ball, stupid.  
s) Well, what do you know! Say, Clyde, can't we try something else?  
c) Go catch some flies in the outfield.  
s) Like, man, how about a net or a jar?  
c) Oh no. Look, son, why don't you give up?  
s) Man, my doll said she digs stars, so, like, I want to be a star.  
c) Look, Herman, you're way out, I mean like, in orbit. Ooze back to Cape Canaveral. Man, we don't dig you.

## Spring Time Is Sports Time

Now that the basketball season is over, the spring sports are in full swing. Have YOU ever been to a track meet? a baseball game? or a golf game? If your answer happens to be NO, change it to YES this spring.

You've heard the saying "Support your school and teams", but do YOU practice it? It's fun to attend the spring sports, going with a group of friends, cheering Hialeah High on to victory and encouraging the teams to do better—win or lose. So check the spring schedules and mark the dates in your mind. Support the teams and show Hialeah's true school spirit.

There are many various activities, in which you can find interest. Why not try golf? Maybe you don't know the difference between par and fore, but why not learn?

### POLE-VAULTER KALIO IS ON THE WAY UP

Steve Kalio, a sophomore at Hialeah, is the Thoroughbred's newest track star. In the pole-vaulting contest at the Coral Gables Invitational Steve took second place with a jump of 12 feet-three inches.

The contest started at 7:00 p.m. (an hour before the running events started) and finished at 11:30 and was the deciding factor in the meet. Miami Edison led by one-quarter of a point with every other event completed.

### BASEBALL TEAM BETTER THAN THEIR RECORD

Hialeah's baseball squad is actually much better than their record shows at this point. The T-Breds lost their first three games before finally breaking the ice with a 5-0 victory over Tech. Pete Sackmann did a brilliant job of pitching in this contest.

In the pitching department are Dick Krtausch, Pete Sackmann, Ray Robinson and Vernon Futrell and there are very few flaws here. All of these boys have the "stuff" to win most of their ball games. Clutch hitting is one of the problems that will probably improve with every game. Blake Rowe has been handling his catching duties like a professional. Bill McIver backs him up at that post and also handles coaching duties with Bob Ankrom.

High School baseball draws very few, if any, spectators due to afternoon games and competing with Triple A ball clubs. Three of Hialeah's avid fans are Pat Cusack, Judy MacMillan and Judie Kilough.

## Butts Florida's First All-American

(Continued from page 1)

York; Tom Hoover, Washington, D. C.; Bill Raftery, Kearney, N. J., and James Robinson from Chicago, Illinois.

They saw a Broadway play on Sunday night and then appeared on television Monday morning. Bernie returned to Florida the same night. No subject has ever been talked about more than this at Hialeah High. Even now, Bernie is the most talked about man on campus.

### CREDIT DUE COACH BRAWNER

We must give credit where credit is due and much of this belongs to Basketball Coach Roy Brawner who has given Bernie every chance to play his kind of ball. Brawner says that he is the best ball-player that he has ever coached. He also says that Bernie should do very well while playing college ball. His fellow players and his family also deserve credit for aiding him in his battles.

Bernie doesn't rest on his laurels in basketball. He is a very good baseball player and has been for some years now. Coach Charles Wychunas has him in left field on the Thoroughbred nine.

The only thing left to say is that once Bernie leaves Hialeah we'll be looking for his name on Collegiate All-American teams.

### SENIORS HAVE LAST PLAYDAY

Although a good time was enjoyed by all, the SENIOR girls played their last playday for the year, but can well boast for helping establish a good record of 13 out of 14 games, since 1954. Those sad ones are: Carolyn Pritchard, Myrt Meeker, Pat Burns, Dot Hood, Nancy Scott, Ruth Lowden, Diane Lingard, Virginia Van Kessel and Carol Albury.

## Dance Exhibition At Jackson High

Mrs. Joanne Emmons, a famous dance exponent from New York, highlighted a high school dance exhibition given at Miami Jackson High School gymnasium on Saturday April 11.

The demonstration was composed of dances put on by the various modern dance classes throughout Dade County high schools. Hialeah High's group performed two original numbers. The entire class participated in a dance created from the number "Pavan" from the album "Summertime."

The second number was "Peter Gunn," danced by four H.H.S. girls, Jo-Anne McCranie, Sheila Thompson, Pat Lemmon, and Betty Kraus.

Mrs. Emmons conducted the master lesson, in which all the girls participated. She will give private lessons to those girls who have signed up for it during the following week.

A free dance concert at the Lowe Gallery at the University of Miami will be next on Mrs. Emmons' program. The public is invited to attend.
