Hialeah 'Brains' Work Today On Merit Scholarship Test

178 Hialeah students are slated to be examined today to determine their eligibility for scholarships under the National Merit Scholarship program. This test will consume first period, homeroom, second and third periods. This program is a nationwide search for students who demonstrate extraordinary ability to benefit from a college education.

Chorus Performs

Music highlighted the assembly held on April 22.

The orchestra gave an interpretation of "South Pacific," "Porgy and Bess," "Waltzing Cat," "Grand March Aida," "Blue Tango," and "Phantom Regiment."

The chorus sang "Our Father" and then added a little zest to the program by featuring several special acts.

Hialeah's well known trio sang "That Old Black Magic" and they also backed up Don Gorman in a song. Bill Baughn did a song that was enjoyed by all and Bobbie Sellers sang "Sayonora" with the chorus backing her.

School Seal Adds Zest to Entrance

Hialeah High's beauty and dignity were enhanced with the painting of the school seal over the entrance to the school, sponsored by the Wheel Club.

The most unique thing about the painting is that the Williams Sign Company of Hialeah used a projector and focused it on the wall and from there made the masterpiece.

"We thought the entrance needed something," reports Wheel Club president, Bill McIver, "and the school seal seemed to fill the bill."

Jr. Debs Install

The Jr. Debs are preparing for their installation of officers which will be on May 7.

The installation will be held at the Hialeah Jr. Womans Club House.

The officers who are to be installed are: **Linda Albury, President; Vicki Campbell, Vice-President; Beverly Dugger, Secretary; and Jackie Gast, Treasurer.**

The Merit Scholarship Corporation is a non-profit organization which has sponsored this program annually for four years. In this time, they have awarded over 15 million dollars in scholarships.

After this test has been completed, the semi-finalists in the nation, numbering over 10,000 will be chosen. In the Fall of 1959, these people will take another test. The finalists will then be selected, and these will win four-year college scholarships.

The four high schools who participated were Coral Gables, Southwest, Miami Beach, and Hialeah High. H. H. S. played "Grand March From Aida" by Verdi, "South Pacific" by Rogers, and "Porgy and Bess" by Gerschwinn.

Dr. Timm gave these outstanding remarks about Mr. Conn's pride and joy, "very mature sound, fine facility, accuracy is consistent, some very advanced sounding players and a FINE ORCHESTRA." The opinions of the evaluator are more important than a rating

First Flag Given By Tri-M at Award Assembly

Hialeah High's first flag will fly from its flag staff May 7, after presentation in the awards assembly. The flag will take its place among those banners symbolizing loyalty.

The flag designed by **Sonja Paz, 11-4**, is made of silk and is of royal blue and scarlet, with the seal of H.H.S. in the center. The designer's name appears in the lower right corner.

Sonja is a member of Art I, and is considered by her fellow students as one of the outstanding artists of H.H.S. She is involved in many activities, with art as the leading interest.

The flag designed by Sonja was selected as the winning design, the result of the contest sponsored by MMM.
