### Top Club Named for Service

Yes, Key and Anchor did it again! At the annual awards assembly, May 7, Key Club's president, John Olivero and Anchor Club's president Susan Charles

proudly walked upon the stage to Mr. Marvin Goff who had just announced that Key and Anchor were the outstanding clubs of the year.

Key and Anchor with its many service or almost all services to the school were not dealing with the making of money.

"I feel that these clubs truly deserve this honor. I also feel that it was done in the fairest manner possible," said chrmn. of committee.

### Game Tagged Fun

The first all-teacher's basketball game ended with a score of 6 to 9 in favor of the men. "The most hilarious game I've ever seen," was among the comments overheard upon leaving the gym after this "different" game.

One thing that made it "different" was the roster of the team members. On the men teacher's team were Messrs. Ashworth, Hall, Bolck, Cook, Oliver, and Williams.

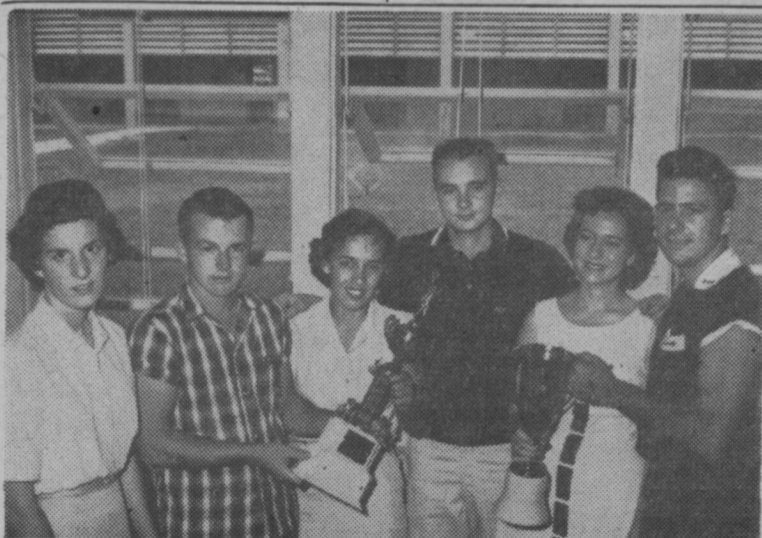

On the distaff side of this major athletic event were Mrs. Weber, Miss Combs, Mrs. White, Miss Phelps, Miss Swain, Miss King, Miss Jordan, Miss Kelly, and the Mrs. Sanzone and Doby.

Cheers for FACULTY were led by the hilarious team of the Mrs. O'Connel, Walton, and Griffin. Although not so well trained as Curry, Osterberg, or Jettner, these three probably attracted more attention by the uniqueness of their exhibition.

Water-boys for their respective sexes were Mr. Marvin Goff, and Mrs. Betsy Stoinoff. First Aid was administered by Mrs. Katherine Barnes and Mrs. Lois Deerman.

Fairbanks; original oration, Paul Donaldson; Monodrama, Fran Epstein, and Poetry reading, Nancy Marinello.

Dramatics Department named Jay Burke and Mike Willis, best male actors and Jo Anne Bujold and Judy Seeber, best female actors. (Please turn to Page 6)
