Beginner's Luck Invades Clinic

"Move to the back and hurry," Miss Jordan, Physical Ed. instructor ordered.

When most were seated the nervous chatter mounted to a roar. The vehicle—The Hialeah Bowling Lanes Bus—the building, Hialeah High.

The Phys. Ed. students were on the way to the Hialeah Bowling Lanes for a "Bowling Clinic" as it was politely called by Al Palmer, the manager. Many agreed that Bowling Hospital would be more appropriate.

The students started using the basic pendulum swing then advanced until finally they were throwing at real pins.

Beginners Luck it was called by the old pro's as the beginners got quite a few strikes.

Everyone wasn't so lucky though. Gutter balls were frequent and some students tried to bowl in someone else's alley.

New Girls' Gym Team Elects Top Officers

The first Hialeah High Girls' Gymnastic Club has been organized with the capable assistance of Mrs. Peggy Reese, Sponsor.

The officers elected for this newly formulated club are: Jodie Clark, Captain; Judy McMillan, Co-Captain; Joyce Whittle, Secretary; Bette Wolfe, Treasurer; Cookie Francis, Assistant Manager; Cookie Maklary, Manager.

The club is designed for girls who enjoy tumbling and free exercise. They will have a chance to tune up their muscles as well as their figures, and improve their gym skills. Occasionally they will invite a guest speaker to their meetings.

The time and place has been designated as Monday and Friday in the Gymnasium.

It is the hope of the club to compete against other schools, perform in assemblies, half time shows at football games and other social functions.

All girls interested are asked to contact Jodie Clark, Joyce Whittle or Cookie Maklary.

Volleyball is Prominent Sport As Swakikijos Vanquish Cupids In Intramurals Championship

Volleyball once again is the sport prominent in the "after school" crowd. Many of the courts were filled with enthusiastic ball players shouting encouragement to such teams as the "Rockin Robins", "Swakikijo's", "Jets", "Stupid Cupids", "Bloomer Girls" and "The Tigers".

Since the game has been changed to a one-hit affair, it has doubled in hardness and requires more dexterity and skill, as well as a renewing of knowledge of rules.

The Swakikijo's, led by their captain, Virginia Van Kessel, beat the "Stupid Cupids" in the intramurals league. Their title is the champion of the winners' bracket.

The Swakikijo's team members are Virginia Van Kessel, captain, Sandy Scott, Diane Lingard, Leana Lofland, Sherry Dunn, Charlotte Keys, Carolyn Pritchard, My Meeker, and Ruth Lowden.

The "Stupid Cupids", runners-up in the winner's bracket consist of

Carol Albury, Captain, Judy Frazier, Gloria Martinez, Marian Finch, Pat Lott, Helen Gaylord, Becky Riddle, Judy Luck, Sheila Bennett, and Ruth Like.

The teams in the intramurals will play hostess to the teams of Jackson High School, October 8. This will not be a Sports Day, but will serve to practice the teams. The games will be held after school.

The teams for the Volleyball Sports Day will be chosen from the members of the various teams. This team will in turn then represent Hialeah High School among the other high schools of the city. They will meet at one of the schools, along with five or six other senior highs, and attempt to bring home "the bacon" or the Championship Plaque. Both A and B teams play in this tournament and have succeeded in past years to capture one or both of the plaques.

Hialeah High Grows With School Spirit

Hialeah High is growing in size and it is also growing in leaps and bounds in spirit. At the second pep rally of the year, termed by many "old-timers" as the best in the history, cheers were shouted, feet were stomped, and hands were beat in furious fashion.

The most challenging cheer of all, a "we can yell louder than you" sort of thing was thrown from the direction of the football players' section. At once the spirit was high and cheer "Two-Bits" lived again in all its glory. The sides were so determined to show that theirs had the most spirit or largest vocal chords, that the contest was termed a tie by the jubilant cheerleaders.

Aqua-Teens Created

"Splish splash, I was taking a bath," is the comical theme of the new Hialeah Aqua-Teens made up of eight girls. The first water ballet given by the team was in April at the Honoria Swim Dance held at the Airways Pool.

The girls will meet twice a week at one of the local swimming pools for practice after school. The purpose of the club is to provide H.H.S. with an outstanding and unique organization, to serve other clubs and organizations at aquatic social events and to create an enjoyable and healthy activity for its members.

The team now consists of the following girls and their offices for this year: Pat Barber, choreograph-

er, a five foot seven inch Junior with blue eyes, blonde hair and is active in Y-Teens, Library, and Student Council; Betty Kraus, president, 5 foot seven inch Junior and is known for her activity and spirit in the Student Council as vice-president and Honoria Club. She has brown hair and eyes and also participates on the tennis team; Shirley Wells, treasurer, a five foot six inch Senior with brown hair and eyes, a former Majorette, also in Y-Teens, Library and Modern Dance.

Sondra McLaughlin, five foot five inch, brown hair and eyes, and a new member of Honoria, she holds the office of corresponding secretary; Judy McMillan, a Senior with pretty blue eyes and brown hair. She is solo majorette and active in Honoria, Tri-M and Chorus.

Over 131 Girls Answer Call

Over 131 girls responded to the call of "bowling league" Tuesday, September 30, sponsored by the Hialeah Bowling Lanes.

With well over 100 girls on the bowling lanes bus, it pulled out from H.H.S. full of hopes and high expectations for the anticipated league games.

The league was sanctioned by the American Junior Bowling Congress, which will sponsor trophies and prizes to the winners and best bowlers. A 50c sanction fee is asked for this purpose.

There will be no additional charge for bowling under this congress. A special rate is given to the girls by the Hialeah Bowling Lanes. The special rate is to help interest girls in bowling and get them started in this ever-increasing popular game.

Besides being economical for the girls, it is also good advertising for the bowling lanes.

Tennis Clubbers Begin New Season

The Tennis Club of Hialeah High is trying to get an early start in practicing this year. Mr. Jack Kasper, tennis coach, reports that all interested students should go to the new courts across Palm Avenue from the high school on Wednesdays and enlist the aid of the tennis instructor, Mr. Valentine. He will help them with their game and point out spots which need improvement until the season starts.
