TEA TOASTS TEACHERS

Honoria's tea for the teachers was a fine example of the club's spirit. Plans for this year, made at a reorganization meeting, call for some changes — ones that will benefit all of Hialeah High!

JUNIORS IN OPERATION

It may not be known, but this year's junior class has held two meetings since September. The officers, Burt Newton, president; Judie Killough, vice-president; Jack Whicker, secretary; and Gary Vergho, treasurer are ready and roar-in' to go with plans for projects and . . . that long-awaited Prom.

"REAL NEAT," ANCHOR!

Anchor's innovation of selecting a Mr. and Miss Good Grooming is really terrific! Good grooming is so important, yet those who practice it never receive credit.

LAUGHS WITH LUCAS

Chemistry taught the "Lucas way" is far from normal! The unsuspecting students who signed up for the subject didn't know what was in store for them. His explanations are a lot different from the book, but so much more enjoyable!

CONSTRUCTION SYMPHONY

Scrape, clang, bang-ganding! So goes our daily symphony as Hialeah High's hallowed halls get a face lifting.

Imagine an English class reading "Julius Caesar," intermingled with, "Hey, look-out! Where's my hammer?" during the assassination scene. Musical type-writing was never like this!

REPORT CARDS (?) WERE HERE!

Instead of the unusual and familiar report card, that has been with us since grade school, Thoroughbreds received something new. Common exclamations were: "A-1-A, that sounds like a highway!" But it's just a little piece of paper, and for all that work!

Modern Dance Club Display Red & Blue

Red and blue we're for you. Modern dance, is sticking strictly to this motto. Each girl will have a red leotard with a red and blue skirt that they will be required to make themselves from a circular pattern. For the winter weather they will cover their legs with long tights for warmth and comfort.

The girls have been concentrating mostly on limbering up after their summer vacation, but with the usual presentations of original dance routines. It has not, as of yet, been decided whether they do a Christmas program, as they have in previous years.

Future Farmers Tap Greenhands

Tuesday, October 7, the Hialeah chapter of the Future Farmers of America carried on a formal initiation of new boys in vocational agriculture. After passing certain tests, and repeating the F.F.A. creed, these boys enabled themselves to be initiated to the degree of greenhands. The first degree of a Future Farmer of America. The following boys were initiated Tuesday: Paul Kirkpatrick, Tony Nannillo, David McMurty, Frank Midkiff, Richard Ussery, Ronnie McCranie, Russ Waters, Bud Waters, Norman Lipscomb, Ed Willis, Gerald Livitz, Ronald Booth, Joe Miller, Paul Greenwell, John Hatcher, James Greer, Jim Likens, and George Martin.

John Samol, Ronnie Haire, Ray Bullock, Richard Byrd, Harry Samol, and Jim Wood say that the chapter will have about 35 boys in it this year and that they are expecting to have an excellent year. B. G. Cromer, their chapter advisor and agriculture teacher, expects big things from the Hialeah Chapter this year.

D. C. T. to Give Halloween Party

With the witches and goblins, will come a fun-packed Halloween party, which will be presented by the H.H.S. D.C.T. Club, for only its members and their dates.

It will be held in the Hialeah Recreation Center on Halloween night, October 31, from 7:30 to 11:00 p.m.

H.H.S. Organizes Chemistry Club

Here is the chance that Hialeah High's scientific-minded students have been waiting for. Now you can join the Chemistry Club sponsored by Mr. L. R. Lucas.

H.H.S. Chemistry Club is open to anyone who wishes to join. The meetings will be held on Thursday, after school, in Room 121. You may contact Mr. Lucas if you are interested in membership.

Honoria Prepares For Tapping

Busy preparing for their future tapping, are the members of Honoria. This yearly tradition is looked forward to by many hopeful, H.H.S. girls, who are interested in serving their community and their school.

As is customary, a tea was given by Honoria, Thursday, October 23, to introduce to the many girls interested in this highly honorary club, the expectations and qualifications needed for membership.

Actual tapping will take place sometime toward the end of October. Each application for membership shall be thoroughly checked for leadership, scholastic achievement, and their ability to serve. All hopeful pledges will be approved by Honoria members as well as its two helpful sponsors, Mrs. Jeanne Lugo, and Miss Shirley Jean Wright.

Among the many interesting projects for this year planned by the Honoria Club of H.H.S. is the sending of representatives each Saturday to the Children's Cardiac Home.

The girls are divided into groups of four, one group visits from 9:30 to 11:00 a.m. and the second group, 2:30 to 4:00 p.m. The purpose of the weekly visits is to entertain the children and help the nurses in minor jobs such as dressing and feeding them.

Just recently, Honoria gave a tea, honoring the new teachers of H. H.S. All of the teachers were invited for cake and punch, to take time out, from the usual school day routine.

City-Wide Y-Teens To Sponsor Dance

"Be sure and be there!" Where? At the City-Wide Y-Teens dance to be held on November 22, in the YWCA auditorium in Miami. It will cost only 25 cents per person. There will be lots of dancing and refreshments will be served.

Plenty of fun is to be had this night, for it will also be a big night for Jim Richardson. He was recently selected to be Y-teens Heart Throb for the year of 1958-59. One of his duties is to represent Hialeah High for City Wide Heart Throb.

Each Y-teen club in Miami may select the Heart Throb of Dade County. Jim is an active member in Hi-Y's treasurer and a right end of the Thoroughbred's football team.

Y-teens will be selling the tickets soon. There is only a limited number of tickets. See you there.

Thespians Paint Little Theatre

Along with the painting of the school, the little theater has taken on a New Look.

The Little Theatre is room 804, and better known as Thespians Headquarters.

Friday, Oct. 11, when all the students were out of school, an ambitious group of Thespians came to school at 8:00, and the painting went under way.

Two walls were painted a nice soft gray, and two a bright blue, and that is an understatement.

The painted walls were completed at 4:30 in the afternoon.

Mr. White, the Dramatics Director, and sponsor of National Thespians, replied, "It's not a bad job at all, even if the blue is a little bright, it sort of grows on you after awhile."

F. T. A. Elects New Officers

F.T.A. presents its new officers and plans with elections having taken place at the club's second meeting in September. President, Carol Gates; vice-president, Clair Lavin; secretary, Nancy Perry; and treasurer, Mary Ann Worst graciously accepted their positions and are working hard for a successful year.

Among the several activities planned for the year 1958-59 are the hopes that Hialeah High will have representatives at the Future Teachers Convention to be held in Daytona Beach on October 31 and November 1.

F.T.A.'s money raising project is selling candy at the basketball games in January. Mr. David McDavid and Mr. Victor Lozar are the club's sponsors.

Tri-M Serves In Community

Yes!! We've got lots of news was the cry heard from the Modern Music Masters Club of Hialeah High. This month they will do several important things, consisting of: selling light bulbs for the preservation of the blind, working in the Cerebral Palsey Home, and also ushering for the Dade County Auditorium.

In doing all these things, the Modern Music Masters Club of Hialeah hopes to promote respect, and admiration for everything Hialeah has to offer.
