

BERNIE BUTTS PRACTICES for the upcoming basketball season after having been chosen as the top player in Florida by Dell's basketball magazine.

Donaldson, Talented On Field, and in School and Hobbies

The 17-year-old five-foot eight-inch 155-pound quarterback for the Hialeah High football squad is Paul Donaldson, one of the outstanding seniors on the Thoroughbred team.

Born in Newark, New Jersey, in 1941, he moved to Florida in 1948. After spending time in North Miami and Miami Shores he started to school in Hialeah with the opening of the high school.

Paul has been an active student all through his high school career. He started off as the vice-president of his sophomore class and since that time has engaged in many of the school activities. At present he is a member of "H" club, parliamentarian of Wheel club, Student Council representative, and president of the National Forensic League, where he is constantly partaking in debates and student congresses.

Paul is a first year drama student and extremely interested in acting. He hopes to attend college where he can devote much more time to drama.

When asked how he felt about being a member of the third graduating class, this three-year letter man answered, "It is a privilege to be a pioneer of H.H.S."

Tackle Curwell Names Background

Dick Curwell, Hialeah Thoroughbred tackle, has one of the most interesting and unusual backgrounds of any 18-year-old boy.

He was born in Lynn, Mass., but being a rebel at heart moved to Hialeah in 1948 after much traveling around the country.

Until he was eight years old Dick traveled with a carnival, not in the capacity of a performer but rather as the son of two entertainers. His mother performed in the water as an aqua maid and his father also utilized the water though it was to an entirely different way. Mr. Curwell was a high dive artist, leaping from a 100-foot tower into a six-foot tank of water.

Things have quieted down somewhat for Dick but he still leads an interesting life through his work with snakes, hunting, fishing, skin diving, and playing of the bongos.

Dick is proud of Hialeah High and says, "I think the school has great spirit, but I hope to liven it up some by organizing a Latin American Combo later this year."

Hi there, from mikeside of WQAM. At one of my record hops the other night somebody said, "Where did this new song **SMOKE GETS IN YOUR EYES** come from?"

Of course, this is far from being a new song since it found its way into the lore of American music courtesy of Jerome Kern in the early 30's.

The brand new dress on this oldie is by the Platters and they should hit the top of the charts with the one like they did with **TWILIGHT TIME**.

Nat King Cole's latest non-Dominican is the fifth language in which he has recorded a song.

Andy Griffith (Onion-head) has a new disc out called **MIDNIGHT SCHEDULE**. It's on the serious side.

If you were watching the dollars click for Dean Martin, you'd see him rake it in. **VOLARE** has sold over two million plus his sales from his co-hit this year, **RETURN TO ME**.

Presley's **ONE NIGHT** in the big side of his newest. It's heading toward the million mark. Another entry into his circle of success.

Bobby Day has a new album out in addition to his new single hit. It's called **ROCKIN' WITH ROBIN**. By the way, the Big Bopper who made such a sweep with **CHANTILLY LACE** and now coming on strong with **THE BIG BOPPER'S WEDDING** is in real life Jape Richardson of Beaumont, Texas.

Nat King Cole's newest effort will be **THE VERY THOUGHT OF YOU**.

Tonight watch for WQAM's Bob Gaynor to replace Jerry Wichner on "The Happy Show."

That's theme time for now; so until I see you tomorrow at 4:00 and again at Hialeah Rustic Roller Rink on Wednesday night, remember our secret word for today is Beverly Calvert.

FOUR CHEERLEADERS PUT OFF THE EARTH

Four cheerleaders are off the earth or ground in more ways than one as they led yells at the pep rally in the patio, Friday, Nov. 14.

Every rally, four cheerleaders are on a platform donated by Wheel which enable the crowd to see and hear them better. The remainder of the vivacious squad stays grounded.

At the session for the Jackson game, Senior cheer, Carol Curry, called the signals. Fight cheers were shouted and once again the captains assured the students of a well fought game.

Bernie Butts has been named as the outstanding high school basketball player in Florida by Dell's basketball magazine.

Bernie was Hialeah's outstanding player in his junior year last season. He was high point man for the Thoroughbreds, and led them to the State Tournament in Gainesville.

Actually we are lucky to have Bernie at Hialeah. He is a native of Syracuse, New York, and moved to Miami two summers ago. He resides in North Miami Beach and his younger brother is attending North Miami. I'm sure glad Bernie isn't.

He never takes his mind off basketball. All last summer I practiced with him, and he drives himself to stay in shape. His father is one of the most enthusiastic men I've ever met when it comes to his son. While talking with him last season he told me he was afraid Bernie wouldn't make the grade in Florida.

I am one person that is glad he has made the grade, A-1. He made the All-City team last season. This year we'll look for him on the All-State team.

Two of Hialeah's strongest obstacles last season were also nominated by Dell. They are Don Hughes of Pompano, and Henry Garrison of Coral Gables. Richie Webber (Southwest) was also named. **EAGLES, BROWARD, LOOKING FOR REMATCH**

Southwest High's Eagles won the Southern Division of the Gold Coast Conference with an undefeated 5-0 record.

The Northern Division is still not decided. South Broward leads with a 4-0 record and Ft. Lauderdale is second with three wins and one loss. These two teams clash Wednesday night in Ft. Lauderdale. North Miami, the Thoroughbreds' rival, also on Wednesday night, also has a 3-1 record in the Conference.

If South Broward tops Lauderdale they will clinch the title. This means, although the Bulldogs defeated Southwest 7 to 0, they would have to meet the Eagles once again in the Orange Bowl on December sixth.

GAME SWITCHED TO WEDNESDAY NIGHT IN ORANGE BOWL

Because of some freak accidents at Municipal Stadium in Hialeah the annual Hialeah-North Miami Thanksgiving classic has been switched to Wednesday night, November 26, in the Orange Bowl. Reports have it that a few people were hurt by firecrackers, which were brought into the stadium by some punk kids, trying to act like big wheels. Until something is done about this, no team is allowed to use the field.

J-V Tidal Wave Swamps Key West

The Hialeah Junior Varsity football squad ventured once again to Key West on their annual trip, to knock off a 33 to 0 victory.

Undaunted, the team marched into action with confidence and determination that gave them a superior defense and set up an outstanding offense.

The J. V.'s met Key West on the opponent's field without the aid of half-back Al Terrioni, who is out because of an injured left arm.

The November 7 game gave the third team an opportunity to take over a 20 to 0 half-time score, and move it up to the final 33 to 0.
