VOL. IV-NO. 6

HIALEAH, FLORIDA

MONDAY, DECEMBER 15, 1958

S. C. District

Hialeah High's Student Council was host to 23 high schools for the District No. 6 meeting Saturday, December 6.

Each high school in District No. 6, ranging from Key West to Pompano, sent an average of four members to take part in the meeting.

Before the meeting was a mixer (dance) in the gym for the purpose of getting acquainted with each

The meeting was called to order by Dan Harbolt, directly after the "mixer" in the cafeteria. The meeting was strictly a business meeting, as the officers for the year 1958-1959 were elected, and other important business was discussed.

At the Student Council's own meeting, last Tuesday, members voted to write a letter to the parents of Linda Lebow to express their sorrows and deep regret regarding the accident that happened. At the meeting it was also decided that Student Council members would help the cross country team going to Gainesville for the state meet by sponsoring a tag dents were not to ask people whom one subscription. Juniors to Raise Money for Sr. Prom

The annual magazine sale will be launched by the Junior Class soon after the Christmas holidays.

This is one of the few money making projects that the class will be able to sponsor.

Magazines such as LIFE, TIME, and GOOD HOUSEKEEPING are included in the many selections offered by Curtis Publishing Company:

Drama Presents Short Narrations: Choruses Sing Holiday Songs; H. H. S. Attains Christmas Spirit

Hialeah High School has already Christmas spirit. Although the homerooms display pretty show cases, perhaps the prettiest is shown on the bulletin board in front of the main office. Many have seen the song, "Joy To The World" painted beautifully by Faith Luke, which took her about six weeks to paint.

Faith is a fourth-year art student and plans to make it her ca-

The surprising fact is that although Faith works after school, she had to finish the painting in her spare time.

The Christmas painting isn't the only masterpiece Faith has done for H.H.S. Many of her paintings have been used for various holidays and special occasions.

Double Christmas Assembly

A double Christmas assembly to be held on December 18 in the auditorium will feature the orchestra, chorus and dramatics departments who are planning to make this a special occasion that everytried last year at Coral Gables High one will remember.

The orchestra will open the program with "Sleigh Ride." Some of their numbers will be, "White Christmas," and the "Christmas

Mr. Joe White, dramatics director, will have a few short narrations between the chorus and orchestra selections.

There was also a dance line taken from the ensemble chorus, Sheila Thompson, Jo Ann McCranie, Elaine Pent, Bill Baughn, and Don Gorman. They did a "savage jazz" number. Also among the entertainment was that well known group, the Sophistocates, singing "If Men Wore Pants" and "Must I Wait". Members of the Sophisticates are all from Hialeah.

BANQUET HUGE SUCCESS

The annual Hialeah High Football Banquet was held in the school cafeteria December 15, at 7:00 p.m. Sponsored by the Hialeah-Miami Springs Kiwanis Club with a donation of \$2.00 the banquet was ad-Wise, Betty O'Grady; 11-4, David dressed by Mr. Ralph Jordan, director of athletics from Auburn.

The chorus will sing "Calypso started to display its traditional Carol" and "For unto us a child is born."

Teachers Plan Trips

With Christmas vacation just around the corner, Hialeah High School's teachers will have a chance to recuperate from the effects of the Thoroughbred students. A reporter was sent to find out how some of them plan to spend the vacation.

Mrs. Pearl Hancock of the office staff told her plans: "I plan to spend the time before Christmas preparing for the holidays, the holiday itself-eating turkey my husband will cook and afterwards I'm going to visit the West Coast."

Mr. Joseph Buonassi is returning to visit his folks in Pennsylvania. Building a patio and painting the house-and sleeping in between, will occupy Mr. Paul Plott's Christmas vacation.

An unusual pastime, making chromosome counts, will be Mr. Marvin Goff's form of relaxation.

The coming of Christmas will mean the going of Mr. Mickler, an intern from Florida State University, who will return to his alma

Mrs. Mary Watts is looking toward Christmas with a feeling of regret, and tinges of unhappiness because her intern, Mr. Ken Jenkins will not be with her, after the holidays.

Mr. Jenkins made the comment, "Don't consider it as losing an intern. Just think of it as gaining

Safety Contest

"Every nut in the car should be tight, but the one behind the wheel". This is a sampling of the good and many humorous safety slogans turned in by the students

The slogan contest sponsored by Anchor Club, ended November 14. The three top winners will be pitted against the same number of entries from five other Dade County schools. The top prize was to have the winning slogan on a sticker to be placed on car bumpers throughout Miami.

The winners from Hialeah were: Irene Simandira, with the winning slogan: "Confusccious say, When in town, be no clown, slow down!" The second place stated "Fast driving will get you there, perhaps 40 or 50 years sooner." The third slogan was, "Safety may sound silly, but it's better than a lily."

"The safety slogan proved to be a very successfuly venture and shows very much ingenuity," stated Anchor's President, Susan Charles, who was in charge of the con-
