

Million Dollar Building To House Junior High

Curriculum Department Gives Future Contest

Do you want to pay a larger income tax this year, go to college, or take a trip to Europe? With a little effort and brain power any of these can be yours. The Record is publishing a list of contests with their sponsors and deadlines open to all students of Hialeah High. You take your choice and they pay the money. It's as easy as that.

All of the contests listed below are current and there is still time to make a contribution to any one of your choice. All have been approved for school competition and more material and suggestions as well as entry blanks, if required, can be found in Mrs. Beatrice Anthony's office, Room 507.

APPROVED SCHOOL CONTESTS 1955-56

Contests are arranged by deadline dates under area headings.

ALL SCHOOL

Spelling Bee

Sponsor: The Miami Herald, Miss Doris McAbee.

Spelling Contest. Open to white students through grade 8. Prizes: Gold certificate to school winners; County list: 1st, \$10 and gold loving cup; 2nd, \$5; District: 1st, 5-day all-expense trip to Washington, D. C., to participate in national contest; 2nd, a set of the Encyclopedia Britannica and \$25; 3rd, Zenith Radio and \$20; National: 1st, \$500 and all-expense trip to New York; 2nd, \$300; 3rd, \$100. Intra-school Schedule, February 27 through March 16, 1956.

ACTIVITIES

Youth Leadership Contest

Sponsor: B.P.O.E., Miami Lodge (Mr. D. P. Hilton)

Entry is a written statement of school activities and achievements in leadership. Open to white students in grades 10, 11 and 12. Local Prizes: \$25.00 Bond to top boy and girl; National Prizes: \$800 in scholarships. Date due, January 15, 1956.

ART

Poster Contest

Sponsor: Fla. Council for the Blind (James J. Cox)

Poster on Sight Conservation. Open to all students, grades 4-12. State Prizes: \$35 to grand overall winner; \$10 best roster in each grade; \$25 best roster in each 'class' of three grades. Date due, March 5, 1956.

Poster Contest

Sponsor: AAA Association (Mr. Charles N. Brady)
School traffic safety posters. Open (Please turn to Page 6)

Record Staff Complete First Directory

Early in the new year students will have a chance to buy the first directory ever to be published for the Hialeah Junior-Senior High School. Members of the journalism class have been working on the project before, after and even during the Christmas holidays.

The directory contains the names, homerooms, addresses and telephone numbers of every student in school at the close of 1955.

The proceeds from the sale of the books will be used to further develop the school paper and help defray expenses of the Key Club who are helping in the sale of the book.

For the price of 25 cents each student may have a handy list of addresses and telephone numbers. The support of the entire student body is hoped for in making this project a financial success.

HIALEAH

HIGH RECORD

VOL. 2, NO. 7

HIALEAH HIGH SCHOOL, HIALEAH, FLORIDA

JANUARY 16, 1956

Eighth Grade Longest List on Honor Roll

Seventh and eighth graders led the half A and half B Honor Roll, but 11th graders were ahead with seven of the 15 name Dean's list, an all A report.

No tenth graders placed on the Dean's list but one ninth grader, one eighth, and six seventh graders completed the roll for high honors.

DEAN'S LIST

Janice Fisher, 7-11; Eugenia Bacon, 7-13; Dorothy Miller, 7-13; Karen Maher, 7-13; Sandra Robertson, 7-14; Sandra Beasley, 7-17; Jule Tavares, 8-15; Charry Lane, 9-7; Danny Thomas, 11-16; Jerry Coleman, 11-3; Beverly Martin, 11-3; Lynn Merrill, 11-4; Annette Pritchard, 11-5; Margaret Diehl, 11-8; and Joe Wall, 11-11.

Honor Roll for those with half A's and B's and no C's.

SEVENTH GRADERS

Marcia Messner, 7-2; Betty Felton, 7-3; Carol Stephens, 7-3; Martha Ilderlon, 7-3; Tana Hord, 7-3; Barbara Rapchik, 7-4; Madeleine Barber, 7-6; Nancy Wiseman, 7-6; Charlotte Adams, 7-7; Frances Fulkner, 7-7; Mary Ann Chapman; Marian Schneider, 7-9; Lois Van Duzee, 7-9; Julianna Parker, 7-9; Charles Hester, 7-10; Marie Godfrey, 7-10; Sharon Joiner, 7-10; James Joiner, 7-12; Clair Wiltse, 7-12; Marcia Fossett, 7-11; Diana Menendez, 7-11; Wayne Richardson, 7-11; Jean Benton, 7-13.

Reggie Gahhahn, 7-13; Jane Flowers, 7-13; Gail Schwane, 7-13; Craig Hawk, 7-13; Ray Scheltenbrand, 7-13; Stanley Swens, 7-14; Sondra O'Connor, 7-14; Carole Ochoarina, 7-14; Carol Broadway,

7-14; Janet Burkowshe, 7-14; Barbara Proctor, 7-14; Lois Alexander, 7-15; Edward Bowen, 7-15; Edward Bullock, 7-15; Wayne Canger, 7-16; Eudora Godsey, 7-16; Nick Sonzognia, 7-17; Joe Vakan, 7-17; John Garcia, 7-17; Jean Deptula, 7-17; Eddie Bradham, 7-19; Mary Pat Moore, 7-19; and Connie Young, 7-5.

Eighth Graders Longest List

Charles Pendelton, 8-1; Lambert Tynes, 8-1; Lynda Veronee, 8-1; Sandra Huff, 8-1; Ronald Hines, 8-1; Sandra Frye, 8-1; Wayne Bridges, 8-2; Joan Villanni, 8-2; Barbara Wood, 8-2; Rona Levine, 8-2; Rebecca Bennett, 8-3; Patricia Curtis, 8-3; Patricia Deese, 8-3; Francine Epstein, 8-3; Beverly Flannery, 8-3; Judy Russell, 8-3; Andrew Smart, 8-3; Kay Brown, 8-5; George Drummond, 8-6; Barbara Arnold, 8-6; Donna Blenstein, 8-6; Bonnie Clements, 8-6; Edward Curry, 8-6; Imes Devli, 8-6; Drucilla Given, 8-6; Gloria Martinez, 8-6; Jean Gupp, 8-7.

Laura Gage, 8-7; Eileen Braner, 8-7; Annette Beaubien, 8-7; Peter Fryatt, 8-7; Jack Whicker, 8-7; Roy (Please turn to Page 6)

F. Jerry Coleman Honored In Herald Essay Contest

Hialeah High's Jerry Coleman carried away a \$200 check and a \$200 set of "The Book of Knowledge" from the Miami Herald last Monday for winning the second prize in the Twelfth Annual Miami Herald Essay Contest. First prize winner was Natasha Feinman a 17-year-old senior from Lear School, a private school in Miami Beach. She received a scholarship to the University of Miami valued at \$2200.

Third prize, a \$100 check went to Michael Stokes, a sophomore from Miami High.

The school winner was Sarah McAllister and the runner-up, Mary Todd. Sarah won \$25 and Mary was awarded a certificate.

The judges chose these three essays as outstanding from 18,000 contesting entries. Each essayist won \$50 for the Student Council of the school he represented. Dennis Ba-

ker of Hialeah High accepted this check for Hialeah.

Judges of the contest were Mr. John S. Knight, editor and publisher of the Miami Herald, Dr. Jaye Pearson, president of the University of Miami, and Mr. Thomas Bailey, state superintendent of schools.

Members of the Hialeah faculty and student body attending the luncheon at the Robert Clay Hotel were E. G. Pease, principal; Mrs. Alfreda Miller, adviser for the Record, David Rayfield, editor of the Record, Jerry Coleman, Sarah McAllister, Mary Todd, and Jerry's mother and father.

This is not the first essay contest Jerry has won since he placed first for the school last year and first in a U.N. essay contest sponsored by the Optimist Club.

Joe McAllister from Hialeah won second grand prize last year.

Let's Face It Exams Loom

Semester Examination schedule will run from January 20 to January 25. Friday, January 20, tests in science and homemaking will be on the bill of fare. Monday students will be tested in English and basic education. On the closing day Wednesday, January 25, mathematics, foreign languages, and business education are scheduled.

Elective subject tests should be completed by the end of the week of January 16 to 20.

After this hard work students will be given a whole day of vacation from school while teachers complete the recording of grades, on Friday, January 27.

Key Club Projects

Hialeah's Key Clubbers were busy with two major projects preceding Christmas vacation. First they sold Key Club Calendars and they helped the needy families of Hialeah and surrounding area by collecting for Christmas Baskets.

In most cases Key Club Calendars were accepted generously in the school as well as the City of Hialeah. Wayne Arnold who sold several calendars to city employers stated that the leaders of the city congratulated the Key Club for their Calendars. Butch Harvey who played an extensive role in the development of the calendar remarked that all profit of the calendars must be made through the sale of the Key Club.

Clinton Thayer, member of the Key Club, stated at a previous meeting that Hialeah High students have certainly given recognition to the sale of the calendar.

BEVERLY LARSON, Key Club Sweetheart, makes her purchase of the 1956 Key Club Calendar, from Herbert Frazier.

Letter Calls Attention Of Dade School Board

An urgent letter calling the attention of the School Board to the increasing population at Hialeah High brought prompt action from that body during the Christmas holidays in the form of an emergency order for a new junior high.

Mr. E. G. Pease, principal, pointed out in his letter that according to figures from Miami Springs Junior High and Madison Junior High their graduating classes will pour into the tenth grade for next year about a thousand more students. Since no students will be graduated until the following spring, there was no doubt that Hialeah High would be called upon to absorb about 1,000 to 1,200 more students in a building already crowded with more than 400 too many students.

The new census of Greater Miami further strengthened this reasoning since it showed that the Hialeah area has surpassed in figures of growth any other area in a fast growing county.

Bids are now being let on a new million dollar building to house 1,200 seventh, eighth, and ninth grade students which will make Hialeah a full-fledged senior high.

This building will be constructed on property adjoining the Mae Walters Elementary school which the school board had purchased for that purpose last year. A fifteen acre plot is available for this modern structure near 650 West 33rd Street in Hialeah.

It is hoped that this school will be ready for the opening of school at the beginning of next September. Although bond money from the last bond election is not yet available some small emergency fund was tapped so that work could be started before March. Bond money will then complete the structure.

Hialeah High's auditorium is waiting for money from the sale of these same bonds. It is hoped to have this available for the first graduating class in June 1957.

Scholarship Offered By Exchange Club

Ralph F. Mills, Hialeah City Councilman, and member of the Hialeah and Miami Springs Exchange Club interested Mr. Joe White of Hialeah High in entering students in a speech contest sponsored by the Exchange Clubs of Dade County.

The contest will have preliminary speeches to select the winner of the Hialeah and Miami Springs area. This winner will then enter the finals in Dade County. The winner from the county finals will be awarded a \$1,000 scholarship.

Wayne Arnold who previously attended Key Club convention and was named in the top five of the state there will be one of the entries. He delivered a dinner speech before the members of the Exchange Club during their luncheon meeting the week before Christmas.

Hialeah Faculty On South Dade Committee

Mr. E. G. Pease, Principal; Mr. Tom Heaps, Activities Director; Mr. Richard Schaffer, Guidance; Mrs. Catherine Barnes, Homemaking, will serve on the Evaluation Committee which will pass on the accreditation of South Dade High School. Mrs. Lois Deerman will go as a visitor. The evaluation will take place this week from Wednesday to Friday.

AFTER READING "The Man With The Hoe" by Edwin Markham, classes taught by Mr. Jerry Salek were asked to draw a picture or write a poem which this masterpiece suggested. The picture above is a drawing by George Lang and the poem below the inspired composition of Bruce Ickes.

Wake of the World

By BRUCE ICKES

Through the harsh bellows of the granite foreman's rude commands, A creature stirs in bleak repose, with weary face and caloused hands, Alert is he each bid to serve, Lacking thought and void of nerve.

Through the mist, smoke, and grime of modern mechanism, he is, A drop in the river of marvels, a tribute to a sea of egotism, Head bowed, like a slave he stands, Held tight by invisible bonds.

He asks no contributive favors, no simple miracles of his lord, He asks no peace, he knows no

peace, in a world of fire and sword, He asks no reward and receives none, Naught to compensate the work he's done.

He has no place in his master's world of luxury and ease, He has no place in any world but that of smoke and grease, His master is man; and his is greed, Only the machine has none to heed.

He does not beckon his machine, it summons him to daily toil, Its haughty challenge upon him, he has no rest, yet he is loyal, He smiles, perhaps he does realize, That in his hands a vain world lies.

Chorus Readies For Air Raid

Sixth period chorus believes in being prepared for all emergencies. Their air raid precautions which are for the first time available, are published for all to see, and heed if necessary.

AIR RAID PRECAUTIONS

- In case of an air raid alarm run like heck, it doesn't matter where you run, just run. If you're outside, run inside. If you're inside run outside.
- It is suggested you equip yourself with tacked shoes so you will experience no difficulty in getting over the people in front of you.
- Always make the best of an air raid:
 - if you're in a bakery, grab a pie.
 - if you're in a movie, grab a girl.
- During the air raid yell bloody murder. It adds to the confusion and scares the heck out of old ladies and kids.

- If you find an unexploded bomb, shake well. There may be something wrong with it.
- If an incendiary bomb falls in the neighborhood, throw gasoline on it. You can't stop it so you may as well have fun with it.
- Always eat garlic, onions, or limburger cheese before entering an air raid shelter. It eliminates crowded conditions.
- Don't pay any attention to the air raid warden. If he doesn't move, knock the heck out of him. He's only trying to save a place for himself and his family.
- If you are a victim of a direct hit bomb, by all means don't go to pieces. Remain where you are, and you shall be attended to soon.

Shorthand Class Alert After Vacation

By AILON HALL

Get your diamond-studded halo out and yet's have a sneak-peek at Mrs. O'Neil's third period Shorthand class after Christmas Vacation. Gee! The vacation doesn't seem to have affected them. They are quiet alert.

Anita Vallis starts class off with the statement, "We think it's too cold to study shorthand."

Mrs. O'Neil had the perfect answer for her, "We don't think, period."

Peggy Lassater admitted that she did her home work while talking on the phone.

Just as Lillian Jensen came into the room with the absentee list, Mrs. O'Neil, referring to a word in shorthand, said "Look at that clas." Wonder what Lillian thought?

Horse's Mouth

By BONNIE CLARK

I overheard a student say as an excuse for coming late to class, "I was late because the bell rang before I got there."

Asked in history class, "What was the greatest achievement of the Romans?", a sad small, eager voice from the back of the room replied, "They were able to learn Latin."

One student clarified algebra as a place where symbols are used when you don't know what you are talking about.

Marcia told me the other day that a synonym is a word that you use if you can't spell the one you want.

Overheard in a girl's locker room: "Marianne is the uncomplaining type . . . I hate her."

Mr. Plotts asked his class in biology when leaves begin to turn. He got the correct answer, "Just before examinations."

By the way, here's a word of wisdom: People who think that they are big wheels are usually flat tires.

Many Hialeah students don't attempt anything without first flipping a coin. If it lands heads, he gets a date. If it lands tails, he goes to a movie. If it stands on edge, he studies.

If you are ever troubled about what to write in an autograph book, try these chestnuts. "Don't worry if your job is small and your rewards are few. Remember that the mighty oak was once a nut like you.

Hialeah is my station
America is my nation
I go to school to cut the fool
And that's my education.

New Year's Dawning

Christmas day is long forgotten Now it's all part of the past Children playing with new toys While their parents relax at last. All look forward to the New Year And the things it holds in store Wishing for just peace and comfort And happiness forever more.

Editorials

Make 1956 Mean Much

1956 of course will have many different meanings to all of us. The meaning that it should have with everyone in general is that half of the school year has vanished.

Did you make the best of 1955? Most of you would say no. Of course you have probably made some mistakes you are sorry for, and one thing you can do about the mistakes is to see that they do not occur again in 1956.

One mistake everyone makes at one time or another is not studying properly. Now is the time for you to start the new year with a bang. Make up your mind right now that you are going to accomplish something this year, whether it be to make an A in Algebra or to sing a solo in glee club. If you want to do it, you can.

Make 1956 a year you can be proud of. There is no better time to start than right now?

Support Your School Annual

The reaction of the student body of Hialeah High to the thought of the first annual was an overwhelming approval. The plans are not final but the support of the students was shown when members of the student council visited the 11th grade English classes to find out what kind of an annual they would want and how many students would buy them. Although the poll is not complete it has so far shown that the students want a padded cover on their annual. After discussing the possible names for the book and

also the color and cover design the students were asked, "How many will buy the annual when it is printed?" The vote was almost unanimous in many classes including a large sale of Hialeah's first annual.

A \$2.50 deposit will be asked of all students before school is out this year. The remaining \$2.50 of the cost will be paid by the student in the fall of 1956.

Hialeah High School's first annual will be in the student's hands by spring of 1957.

Mozart Alive After 200 Years

By F. JERRY COLEMAN

200 years ago the greatest composer-musician-pianist was born in Salzburg, Austria, on January 27, 1756. His name was Wolfgang Amadeus Mozart, the world's greatest musical prodigy.

By the time Mozart was four years old, he had written his first composition, a minute in F. major. His father, a local musician, noted his son's extreme proclivity toward and adoration for music.

Consequently young Wolfgang was given all the musical education which was available at that time. Before he was 11, Wolfgang had written several sonatas, minuets and was starting on his first opera.

The people of that era were extremely fond of Mozart's music because it was so entirely different from the complex baroque music of his predecessors, the Bachs.

When Mozart was 20, he was the greatest pianist in Europe having been honored by Hayden and praised by all major European courts.

Mozart continued his never ceasing work. In fact he so greatly exhausted himself that he fell ill with typhus. He died at the early age

of 35, a career all too short.

Despite Mozart's early death, he composed over 600 compositions. His contributions to music are immense and all reflect his magnificent genius.

Mozart's music is frequently thought of as "feminine" by laymen. Contrarily, Mozart's music reflects the society in which he lived, the age of elegance and beauty. Despite his music's outward frills, it has a far deeper vein. While one of his pupils, Beethoven, burst the bonds of musical rules with passionate impatience, Mozart though sharing the same massive thoughts set them in elegant form.

Listen with unprejudiced minds to the music of Mozart. Realize that his music was his contribution to mankind. Always his music has an air of unflagging patience and insurpassable charm. Always it is capable of elevating people from their mundane lives.

Music and Mozart are inseparable. On this Mozart's 200th birthday, realize that his music has withstood the test of time. This article is indeed a humble way of honoring such a genius.

Inquiring Reporter Asks Opinion On Sweaters

QUESTION: What do you think of the girls' new Physical Education sweaters?

- Delery Freret—"Neat idea, shows a lot of school spirit."
- Charles Adams — "Neat. I like them; I want one."
- Gene Vaught — "All right; I'm gonna get one."
- Bill Pollock—"Pretty good; I'm going to get one! REALLY."
- Ernie Gilbert — "Kina sloppy; what's in them is O.K., though."
- Fred Grimes—"Little DROOPY! Don't look good on girls, but the girls have the money so they can buy them."
- F. Jerry Coleman—"They are anything but feminine. I am amazed that the girls don't have adequate taste to realize that the sweaters are not flattering to the female physique."
- Billy Fisher—"I think they are different. I like them a lot."
- Eugene Cook—"I think they are attractive as well as useful since they display the school emblem."

Louis Palladino—"They're so cute I think the boys should have them."

David Rayfield—"I think they're all right. They should make them for the boys."

Bill Dunstall—"I think that they are very nice. I think all the boys are interested in them and they all want them."

Wayne Arnold—"I think they are very attractive and appealing to the eye."

Record Announces Publication Dates

The Record will be published once more this semester on January 30. Second semester dates will be Feb. 13 and 27, March 12 and 26, April 9 and 23, May 7 and 21, and June 4. On the first of every month Scholastic Roto, a national picture section will be distributed free to each subscription member. Separate copies will be sold for 10 cents each morning that the paper is distributed.

JUDY HAS ODD HOBBY

JUDY KING

"Water skiing is my hobby, that is, if I ever learn how," was the bright remark heard during popular Judy King's interview. Judy is that vivacious cheerleader with the short brown hair and the sparkling brown eyes.

She was born in Miami on Janu-

ary 10, 1939. But she lived in Avon Park, Florida, for eight years.

Judy belongs to quite a few clubs. Honoria, National Honor Society, cheerleading, and Rainbow among them.

Her favorite teacher is Mr. MacQueen and favorite class is English.

When asked her opinion of Hialeah, Judy said she thought the school was the best and the kids the greatest.

Her favorite colors—red and blue, of course.

Judy's pet peeves are kids that have no school spirit, and teachers who give homework on nights of games.

Her ambition is one like that of many teenage girls and boys, to have a car of her own and learn how to drive.

Judy's thinking about becoming a teacher and does plan to go to college, although she hasn't made up her mind as to which one.

Como's Tops In Her Book

As far as Virginia Beasley, pretty Hialeah cheerleader, is concerned, Perry Como's tops.

Virginia, a dark blonde is 15 years old and 5feet, 5 inches tall. She was born in Shilton, Georgia in 1940. Virginia is going steady with Ralph Morris. Too bad, fellows.

Her ambition is to be a private secretary. She enjoys swimming and cheerleading, the latter of which she wishes to continue next year.

When asked what she thinks of Hialeah High she said, "It's the best ever." Her favorite subject is Phys. Ed. and her favorite teacher is of course, Miss Swain.

Space Ship Nightmare Too Real

By CHARLES HESTER, 7-10

One night Bob Johnson went to bed rather late because of a late movie. The movie had been real scary, and shivers ran up and down his spine.

He had always been interested in space fiction stories. His room looked like a space post or something.

He happened to glance out of the window. He saw a long, black object. What was it? Well, he decided to find out. He slipped into his clothes and tip-toed softly out the back door.

He walked softly over to the object, his knees knocking and shivers running up his spine. He felt along the side, looking for a door. No luck! He knocked softly!

Suddenly two steps appeared and a door opened.

He tip-toed in and stopped. He felt a kiss of air on his back. Startled, he turned. The door was gone. Frantically he tried to get out. He was locked in!

Finally he gave up and decided to explore the ship to see if he could find anybody aboard. From outside it had looked very long and cigar shaped. From outside he could see lots of instruments. The passageways were very small and narrow. He went throughout the ship looking for someone. The ship was deserted!

The ship was remote controlled. Sudden fear seized him. What if the ship should take off with him aboard?

Frantically he tried to open the door and escape. He was locked in.

Then a muffled voice said, "Bobby it's time to get up." Of course, it had all been a dream.

Red Cross Aide Likes Hialeah And Students

Pretty Miss Betty Lou Ratliff, outstanding aide of the 1955 Red Cross Drive at Hialeah High School, is a rolling stone when it comes to staying in one place very long. She classes Hialeah High as her choice of the finest of schools, which she has attended over the previous years.

Her father who at present is very active in his military career has to adjust himself to different places according to his particular assignment.

Betty Lou has followed in his footsteps in this respect. Although Betty Lou is from California where she hopes to attend the University of California to study interior decorating, she finds Florida to her liking.

One of her hobbies is swimming and the other is making new friends. Betty assisted Wayne Arnold and other Red Cross officials recently in sponsoring a dance given to the Red Cross.

When asked her opinion of the friendliness of the students here, she replied, "Why, students here certainly make you feel as if you should be a part of things."

Eighth Grader Gets Catch! Big One Doesn't Get Away

Not everyone can be as lucky as Emily Harrington, an eighth grader in Room 408. She won an 18-foot cabin cruiser in the Jim Dooley Fishing Tournament finals held during vacation.

Out of 5,000 contestants her article of 50 words on How I Helped My Parents, was chosen with eight others. This was the first contest in her climb toward the boat.

When fishing on a half day fishing trip she caught a ten-pound king fish which made her eligible for the first contest. In this contest she won a Scott-Atwater 3-6 outboard motor and a week at the Atlantic Hotel, all expenses paid for herself and her family of six others.

Then she went fishing in the finals with another girl and 11 boys. On an all-day trip she caught five fish: three king weighing 18½, 10 and 8 pounds each. Two weighed only one-fourth pound, but the total amount was 37½ pounds of fish and with five points more for cleaning them Emily netted 42½ points.

The next highest in this contest was 16½ which made her the undisputed winner.

She was presented with the boat at the Christmas party at the Miami Stadium, an event which was broadcast over television.

Her winnings also brought her awnings for the house from Miami Ventilated Awnings and a sports outfit and a \$35 fishing set.

The Dust Of Life

By OSCAR WALDING

A worm-eaten chair, alone, with dust upon,
And in a corner dark,
Leaning in a house, a deserted shell
of a house.

How long it's leaned there, I do not know,
But undisturbed it shall lean and lean,
'Til it crumbles to dust and lies in a heap upon the floor.

Dust? What is dust?
The dust around, on, under, above,
below, in, and out is a gray blanket.
The dust covers all.
Is it a symbol of oldness, of death?

Many people lean and collect the dust of life,
In their deserted shell of a world,
They shall lean and lean,
Until they crumble and someone says over them,
In a monotonous voice,
Droning on and on—"Ashes to ashes;
DUST TO DUST."

Students Must Oppose Mountains With Reverence

"As sturdy and invincible as the mountains they conquered, the mountain men were of iron and their wives were of steel. But in their toughness, most of them did not forget reverence. Many a man has blazed a new trail with a Bible in one hand and a pistol in the other."

This is what, we of the 20th Century, say about our ancestors.

We of the 20th Century have greater mountains before us, even more invincible than the ones our pioneer ancestors faced. They had an almost easier task than that of which we have before us. For their mountains were material and most of ours are of invisible matter.

We have been given a great gift, which is atomic power. We must

Fancy Monickers Are Popular At H.H.S.

By AILON HALL

The Record's roaming Genie went a-roaming and peked into a few closets. He found that skeletons sometimes turnout to be nicknames.

He found out that everybody calls Diane Kelly "Shane."

Frank Conley even signs his name "Brother Con" now.

Sondra Dondanville is "Sorry."

The Genie found out that Joy Green goes by "Blimp."

Bonnie Clark of Record fame, was tabbed "Cow's tail," by Mr. White.

Wales Zeletes answers to ZaZa.

Gail Shaughnessy was given the nickname of "Sam", because no one could pronounce Shaughnessy.

Louie Palladino is sometimes called "Luigi".

Virginia Roberts is known as "Mike" to all her old friends.

Anna Lipko has two nicknames. They are "Penny" and "Stuff". Her parents call her "Penny" because she swallowed three pennies when she was 3 years old. "Stuff" was affectionately given to her by an old boy friend.

Cecily Dudson is known as "Tee-Dee."

Here's a switch, the Genie found out "Mert" Wilson's name is really Meridith.

Marian May is referred to as "Ronnie".

Back in 9th grade Pat Mahaffey was nicknamed "Pepsi."

Another old nickname is spotted by Margaret Whittle. It's "Magnolia".

Willard Ley is better known as "Rover". Move over for "Rover".

conquer the mountains of fear, stupidity, and prejudice in order to see this wonderful gift to our best advantage. We must destroy all unnecessary fear of atomic energy. We must inform the people of all nations, to wipe out all stupidity, what this energy can do for us in our medicine, defense, and daily living. We must wipe out all prejudice and join, as they have at Geneva, the scientists of all nations, colors, and creeds, to be able to squeeze every bit of usefulness out of the atom. We are the leaders of tomorrow and it is up to us.

We must fight to conquer these mountains. But, as most of our ancestors, we must remember to be reverent and holy. We want our children and their children to be able to say the same that we say about our forefathers. We may not have to blaze new trails with pistols, but we can blaze trails over our mountains with the Bible in one hand and freedom and knowledge in the other.

Wanted: One Reporter

Dear Gentlemen,

I heered about your article in Teseso Weekly advertising fer a job and ma says hits about time fer me to Ketch one.

I ain't had no experience in newspaper writing or any other job cep-tin' feedin' and skinnin' howgs. Koise I don't no they gits any help fer you to no byt my pa learned me how in nigh on three weeks, and that's purty fast fer learnin' thet job specially from my pa.

As you have probably noticed I is a very good spellar and uses of english gramer and knose of thet fast I know youins will want to hire me fer the job of noospaper reporter on your magazine staff.

Swampy Edgar,
Okeyfanockie, Geroga.

P.T.S.A. Could Serve School

By WAYNE ARNOLD

P.T.A. members here at Hialeah High wishing to promote a more serviceable organization could with a P.T.S.A. (Parent Teachers Student Association). This was one of the primary discussions established at a recent meeting of the P.T.A.

Dr. Lee Agard of the University of Florida expressed himself highly in favor of a P.T.S.A. to be established as a solution of some of the many concerns of youth. Some of the concerns suggested were the P.T.S.A. could possibly aid were those of supporting more school drives, the

undertaking of the school and its functions, and finally to develop a desire to interest more youth for more and better things of our social and economic life. Those teachers also attending the P.T.A. functions of the meeting were inclined to believe that an organization of the parent, teacher, and student working together of combined effort would be valuable to enlighten school service.

The Student Council of Hialeah High through the leadership of President Dennis Baker and the sponsorship of Mr. Tom Heaps have suggested and discussed with much concern for the creation of a P.T.S.A. organization.

G. T. Plans Beautification

Green Thumb Club of Hialeah High over the previous year has planted 32 fruit trees over the campus, cleaned up weeds near the biology rooms during the summer, and carried on an extensive beautification program. A future activity is to plant food plants such as herbs and vegetables for the use of the home making girls.

The Green Thumb group also plan the development of a yard beside the Biology Department. In this yard they will plant more shrubs for landscaping.

Mr. Tom Barringer also stated that another of the club's future plans is that of beautifying the homerooms with plants outside and inside.

Band Elects

The Hialeah High Band recently elected new officers. These people hold along with their titles, a very large responsibility. The rules and regulations of the advanced band is left up to their judgment with the okay of Mr. Pat Sullivan. After the rules and regulations are made, it is the officers' job to enforce them.

New officers include the following: Captain, Slug Harvey; Co-Captains, Richard Brice and Joe Wall; Sergeants, Robert Newman, Jerry Chester, Richard Diefenderfer and Douglas Logan; Lieutenants, Danny Thomas and Roger Dewhurst; Librarians, John Heisel and Larry Deets; Secretary, Marleen Bowen.

Red Cross Gives Successful Dance In Dec.

Wayne Arnold, Chairman of Red Cross Dance, and Mrs. O'Neil and Mrs. Edwards, sponsors of the dance December 10th, for the benefit of Red Cross feel that the dance was highly successful.

Through the combined efforts of Red Cross members and personalities of the City of Hialeah the dance functioned smoothly. Manual Lao who assisted in the floor show presentation with the volunteer majorettes stated that he felt he floor show that was given during the dance certainly helped to boost the attendance.

Key Club also aided in the dance by selling all refreshments at the concession stand.

The Red Cross thanks those individuals who have helped to make the Red Cross of Hialeah the success that it now holds.

BILL DUNSTALL and WAYNE ARNOLD pictured above represented the Hialeah High School Key Club in two of the major functions at the Key Club convention held in Tampa last month.

Bill, former president of the Key Club, participated in the Key Club election, he rated a close second in the race.

Wayne Arnold, member of Hialeah's Key Club, participated in the Oratorical contest finishing in the top five of the state. He rated fourth in this competition.

Making a fine showing in the con-

Anchor Club

Hialeah High's Anchor Club plans to attend state convention of Anchor Clubs beginning January 13, at Miami Shores Country Club.

Anchor Clubbers of the state will hear Melvis Sweat of Hialeah, give an invocation. She will also explain the progress that has been made over their project of the year, taking care of a Hialeah family.

Another of the activities of the convention will be the talent contest in which a quartette and two pianos will do a selection from "Show Boat."

Judges of the contest will be Arthur Godfrey.

New Clothes Brighten H.H.S.

By Barbara Hedrick

It was quite evident that Santa Claus was good to the students of Hialeah this Christmas. They rang the New Year in with some pretty neat fashions.

Congratulations are in order for Sandra Stephens and Bonnie St. Johns who received their engagement rings for Christmas. Kathleen and Gail Shaughnessy both looked as adorable as ever, in their white beaded sweaters, that they wore the first day of school after vacation.

The guys that looked real sharp in shirts from St. Nick were: Joe

Bondra, Son Barwick, Louie Palladino, Larry Wood, Mike Malone, Jim Dorminy to mention a few.

Liz Griffith was sporting a pretty beige outfit which she received Christmas. You don't have to ask Diana Burk, Pat DeVito and Wayne Walker what time it is, because they will volunteer the information just to show off their new watches. Did you notice Lillian Jensen in her "sing-sing" sweater? Quite cute, huh?

Jack Reynolds was sporting a very cute black eye. Since when did Santa start handing those out!

P.T.A. Needs Help

Why are there less than 1000 parents in the P.T.A.? There are more than 6000 parents in the community. Why can't we get their support? There are very few participating and contributing to the P.T.A. There are also very few coming to the classes held at night for the purpose of instructing parents in different arts and crafts, such as typing, wood crafts, shop, shorthand and home economics.

Why won't these parents come to the meetings? If they would come, we would probably have a better high school. Could it be these parents don't know what their activities do?

The P.T.A. is organized for the purpose of uniting the parents and teachers. They meet to discuss their wants and needs. If the parents come to the meetings, they could find out what their needs were.

Come to the P.T.A. meetings and have a better high school for your children to attend.

Hialeah Dramatists To Have National Club

National Thespians have accepted Hialeah's High Dramatic Club for membership.

Jackson High Thespians will conduct the initiation. Members of the now forming organization will be tapped shortly.

A point system will be arrived at in future meetings of the Dramatic club to decide the qualifications of students wishing to become Thespians.

The Thespians will continue as in the Dramatic Club, and will meet as a club on the alternate week basis.

SEVERAL KEY CLUB MEMBERS took part in collections the several food brought in by the various home rooms. Three of the collections pictured above with Mr. Floyd Boice, Key Club sponsor, are John Kolodgy, Bill Hoy and Howard Gold.

Key Club Succeeds Again

It was announced by Bill Hoy chairman of the Key Club's Operation Christmas Basket that the Key Club has succeeded again.

Bill also wished to express his heartfelt gratitude to everyone who contributed so unselfishly to this worthy cause.

Key Clubbers who participated were: John Kolodgy, Howard Gold,

Bill Willingham, Bill Dunstall, David Rayfield, and Wayne Arnold.

This is the second year the Key Club has striven for and reached the goal set for Operation Christmas Basket.

"It is hoped that this success will continue to grow in the coming year," Bill said.

Dresses Shown

All home economics classes gave a fashion show fifth period, January 11th. Ten students were chosen from each class to show off the clothes that they spent six weeks in making. The fashion show was given for 9th, 10th, and 11th grade girls only.

All other classes either had home room period or went to clubs.

Bowling Club New

The newly formed Bowling Club of Hialeah High through the leadership of Mr. Quaranta, who is sponsoring the club is attaining an organization of outstanding quality in school clubs.

George Baird, outstanding member of the Bowling Club who made the first request for the clubs, stated that the club already has approximately 400 members.

Plans of the club consist of organizing leagues of teams competing in contest with other schools in the near future. At the present date the club has weekly games.

D.C.T. Plans Picnic

"D.C.T. (Diversified co-operative training) members are planning a picnic as a reward for the good work they have done in selling Christmas cards and wrapping paper," stated Mr. Haft, D.C.T. adviser.

Their project was organized as a contest with the A and B grouped, two divisions of the class competing. Team A was headed by Vince Spaggi and team B was captained by Ed McCormick.

Team A won by selling the most cards. Team B is required to give them a picnic to be held at Baker's Haulover, January 26.

There will be food, games, music, singing, and if possible dancing.

Students taking part in this project were Dick Hudson, Tom Anderson, Clyde Clarke, Robert Gibbs, Fred Himmel, Armand Janelle, Louise Janelle, Lowana Kent, Margaret Lucas, Ed McCormick, Tommy Miller, Dick Morgan, Jewell Sapp, Vince Spaggi, Mary Speciali, Ellen Stowers, Rarryl Shaverd, Barbara Barrell and Jean Rae Smith.

Hialeah Students Receive Pepsi Awards

Pepsi-Cola soft drink company has been giving the "Award of Merit" to deserving students in the various junior and senior high schools in the county. These awards certify "Outstanding and meritorious achievements in various school activities."

Winners have their pictures on a local T.V. show and in many of the papers of the Greater Miami area.

Names of recommended students are sent by Mr. Tom Heaps and the Student Council to Mr. Robert Mohr who screens these students through interviews as to their personality and school history. This information is then forwarded to the Pepsi-Cola company.

Names now on the list include Mary Buchanan, Sarah McAllister, for her winning entry in the Miami Herald contest, and F. Jerry Coleman, for his winning entry in the Miami Herald essay contest.

All high school students are eligible if they are deserving of an award.

Attention, Camera Fans

Pupils of Hialeah High have been invited to participate in the Elventh Annual (1956) National High School Photographic Awards, which is held exclusively for high school students. The contest opens January 1 and closes March 31, 1956.

Boys and girls in grades 9 to 12 may submit any number of photos taken since April 1, 1955. The pix will be judged in four classes: (1) School Activities; (2) People (no school pix); (3) Pictorials; (4) Animals and Pets.

Awards of \$300 in cash top each class, with second and third awards of \$200 and \$100 respectively; four \$50 special awards; 240 honorable mentions at \$10 each. There will be national recognition and salon honors for those whose photos are chosen for the exhibit which tours the nation's schools.

You don't have to be an expert to win! Every year thousands of students enter the competition. They use all kinds of cameras, including the simplest "box" type to make prize-winning pix.

Additional details on how to enter the Awards—sponsored by the Eastman Kodak Company—and helpful contest hints, are available from National High School Photographic Awards, 343 State Street, Rochester 4, New York, or in Room 507, from Mrs. Beatrice Anthony.

Two Internes Look Forward To Teaching

Two seniors from Barry College are learning how to teach girls homemaking during the last nine weeks of this semester.

Louise Dorn and Jeanne Sicking came to Hialeah High on November 9 and will finish at the end of the semester. Miss Dorn was active in planning the Spanish fiesta with Mr. George Sirianni, head of the Spanish Department, while Miss Sicking has concentrated on helping the girls with the fashion show which was given last Wednesday as an all-girl assembly.

Miss Sicking said that her greatest thrill she had was watching those pieces of cloth grow into becoming and fashionable costumes for the girls. Each girl modeled her own work.

Both girls intend to teach homemaking in Dade county when they have graduated in June.

Miss Dorn is a native of North Carolina and Miss Sicking hails from Kalamazoo, Michigan. They both said that the girls were enthusiastic and easy to work with at Hialeah High.

TORTILLAS, FRIJOLEs, and ENCHILADAS were on the menu of the Spanish fiesta celebrated in the home economics dining room on January 5. The second-year Spanish class of Mr. George Sirianni and the last period homemaking class combined their know-how of cooking and Spanish to make some real Spanish dishes and an hour of eating and fun.

Mrs. Katherine Barnes was in charge of food and the serving was done by the homemaking girls in simple but colorful Spanish costumes.

History Class Talk Labor-Management

Mr. Ernest presented his classes and Mr. Robert Eskew's class with a labor-management talk on Dec. 15. These guests were Mr. Shradler, representing the Eastern Air Lines Management, and Mr. Williams, representing the 100th machinists union working for Eastern Air Lines.

They both talked about how the relations between labor and management must always be like a machine running smoothly. Mr. Shradler said: "Mine is a job that involves problems solving and finding out what the problem is in the toughest job."

Mr. Williams stated that there are many unions and each is made up of a Grand Lodge, a District Lodge, and Local Lodges of which there are 26 in Eastern Air Lines. My job is to settle grievances of the men. Members file grievances for many different reasons.

It takes 3 steps to find a solution for some of the grievances. Others are finished as soon as they reach the foreman. We have to eliminate all problems. No organization grows on problems.

We operate with shop stewards in our shops. They have a forum at the University of Miami for a couple of days to help them get acquainted with their jobs."

The question was asked: Couldn't unions overpower management? Mr. Williams answered, "The law provides certain ranks and duties. I don't believe that labor can run over management holds labor down."

Drivers To Take Test

The first class in driver education will take to the highways after they prove that they can drive to satisfy the Florida Highway patrol. All day, January 9, the Highway Patrol officers tested and checked driving practices of students in the first classes to finish the course at Hialeah. 49 students finished successfully and were granted a license to drive.

A second group will sign up for driving classes under the direction of Mr. Louis Swezy at the beginning of the new semester.

Choral Students Fly To Clinic

Four students and two teachers took a short vacation from the regular school routine to attend the annual Florida Music Education Association Convention Clinic held in Tampa, Florida.

Representing the Hialeah High Chorus were Patti Lay, Lou Ann Pollic, Ronnie Carey, and David Frazier. Mr. Bill Inglis and Miss Lillian Meyer went along as faculty advisors.

The group went by air. They left at 7:30 and arrived in Tampa at 8:30. They stayed at a local hotel for a period of four days and returned to Miami, Sunday.

Rehearsal took place Friday and Saturday in preparation for the striking program given in the Tampa Armory Saturday evening. Participating in this event were the orchestra, band, and chorus of over 1,000 voices.

The Hialeah students have been rehearsing for two months, the music used at the clinic.

Class Takes Peek At College Life

Twenty students accompanied by Mr. Charles Adair took an all-day field trip to the University of Miami December 14th. This group was the very first to take a trip of this kind.

Several other groups have visited the University, but have never attended the lectures and been in on classes.

The group left the school Wednesday morning and arrived at the University at 10 a.m. The first important thing on the schedule was a talk to the group by Mr. Frehling. The history, important facts, and any questions about the University were gladly answered by Mr. Frehling.

After this brief talk the entire group sat in on an hour lecture by the world famous Dr. Granville Fisher. The lecture was on psychology. It proved to be extremely interesting and very important to the classes.

When the lecture was over the students divided up into groups of four, and each group had a different class to attend. The names of the four classes were: economics, American history, math, and government.

After this all the groups met and went to the cafeteria where a very delightful lunch was served and enjoyed by all.

Following this the students returned to the bus and then a tour of the University had been planned.

Some things the students saw were: the Ring-Theatre, the Art Gallery, Doctor's Hospital, and last of all a tour of the students apartments and their fraternities.

Shortly after this the bus returned to the school just in time to make the 3 o'clock bell.

Those who went were: Mr. Adair, Frances Rushing, Ray Charles, John Cavalier, Kay Anderson, Martha Tillman, Sandra Schmitz, Pat Cain, David Dunn, George Lang, Douglas Adams, John Barnockey, Frank Connelly, Ronald Cyril, Wylene Ferri, Robert Guarino, Michael Malone, Joe McAllister, Gary O'Bryan, Robert Pipkin, Doyle Smith, Marion May, and Jim Dorniney.

Students See Floor Show

The second period Effective Living class sponsored an hour of entertainment in the cafeteria Wednesday and Friday to promote the good work of Honoria in selling the tickets to the big March of Dimes Teen Dance.

The program conducted from 12:00 to 1:00 o'clock was presented to get the attention of the student body to attend this big Teen-age Dance. Tickets for the dance cost \$2.00. Those who participated in the program were Ray Charles, Master of ceremonies, Marion May, Ronnie Cyril, Joe Bondra, Clyde Peterson, Frank Tillery, Helen Arasin, and Sylvia Buck.

Hi-Notes From Hialeah

By MARCIA ANN NEWTON

FASHION FADS: Boys are usually in the background of fads but not today. Bill Fisher has really made himself seen by wearing bright colors. The other day Bill had an orange shirt on with light blue pants. Now, this may sound a little too bright, but it wasn't. He looked "pretty good," so the girls said.

Wayne Arnold tried a touch of color the same day in wearing purple socks with yellow and white design. (Just enough to pep him up).

Ed Barber had a "pretty cool" outfit the other day, too. He had bright yellow trousers with a lovely shirt that Bonnie Clark gave him for Christmas.

Jo Ann Dimick wore a pink corduroy shirt that looked very cute. James Edwards one exactly like it. The reason for such a coincidence was that James' mother bought both of the shirts for them. They wore these shirts on the same day last week.

Everybody has been wearing his Christmas clothes lately looking really nice.

MARCIA

EIGHTH GRADE LONGEST LIST (Continued from page 1)

MacKintosh, 8-8; Luella Lane, 8-9; Karen Sjogren, 8-9; Sondra McLaughlin, 8-10; Masson Robertson, 8-10; Irma Green, 8-11; Sybil Nored, 8-11; Twila O'Such, 8-11; Virginia Dolan, 8-11; Patricia Howe, 8-11; Maynard Jenkins, 8-13; Barbara McBrayer, 8-13; Linda Trout, 8-13; Ronald Hankin, 8-4; Nelson Perry, 8-14; Judie Killough, 8-15; Ann Snead, 8-15; William Mainor, 8-15.

Ninth Grade

HAPPY BIRTHDAY: Mr. White had a birthday Jan. 4th. His first period sang the age old song "Happy Birthday." Mr. White's 2nd period class gave him a party. They had two cakes, lollipops and candy. His sixth period class gave him a shirt, sort of a Christmas and birthday present in one. Mr. Dolan came to some of the classes and led the Happy Birthday song. I know the whole school hopes he had a wonderful time.

Kay Anderson turned 17 on the 10th of January. She is an eleventh grader at Hialeah High.

Carol Plourd, an eleventh grader here, was 16 on Dec. 27. One of her gifts was a sheath dress which she wore a few days ago. Happy Birthday, Carol!

Friday, the 13th, is a bad luck day but we sure hope that Diana Burke had good luck 'cause that's the day of her birthday. She was sweet sixteen.

Everybody seems to be growing up all of a sudden.

Mr. T. Neura, a football coach at Hialeah High; has third period history class in Room 313. On Jan. 5 Sue Fickling, Marilyn Martin, and Leonard Pardue visited this class for 45 minutes to lead the class in discussion of American Literature and its connection with history.

The three bright students of the eleventh grade explained and illustrated the subject very well.

Midgette, 10-15; Ray Martinez, 10-15; Richard Thigpin, 10-15; Anthony Pellicio, 10-15; Charles Castellucci, 10-16.

Juniors Top Senior Rolls

Mayo Holmes, 11-2; Bruce Ickes, 11-2; James Killough, 11-2; Leonard Pardue, 11-2; Judith Scholz, 11-2; Faye Bacon, 11-2; David Frazier, 11-3; Keith Crawford, 11-3; Vada Gage, 11-3; Richard Jones, 11-3; Gail Shaughnessy, 11-4; Judy King, 11-5; David Goodwin, 11-6; Ed Harvey, 11-6; Katherine McGee, 11-6; Marilyn Martin, 11-7; Dorothy Piehler, 11-7; Jean Smith, 11-7; Melvis Sweat, 11-7; Kay Anderson, 11-8; Erlene Crosby, 11-8; Joy Jessee, 11-8; Fay Rotella, 11-8; Sandra Smith, 11-8; Sara Smith, 11-8; Linda Thomas, 11-8; Elaine Conger, 11-9; Donald Conner, 11-9; Pat Garrett, 11-9; John Barnocky, 11-10; Helen Cavalier, 11-10; Dannie Harris, 11-11; and Lillian O'Dell, 11-11.

CURRICULUM DEPT.

Basketball Tourney Held Here

The Senior Basketball Tournament was held at Hialeah, Friday, January 13.

Miami Jackson, North Miami, and Miami Edison attended the tournament.

For the first time the Hialeah varsity wore their new uniforms.

The athletic uniforms were purchased by the Physical Education Department, Girls Athletic Association, and the Sports Club.

These different departments put their money together and bought the uniforms.

The Junior Basketball Tournament will be held this coming Friday at Northwest Dade.

The results of both the senior and junior tournament will appear in the next issue of the Hialeah Record.

Girls Buy Equipment

Have you noticed those snazzy sweat shirts the girls are wearing to the school activities?

They are gray with the school emblem on the front with the words "Hialeah High" written boldly in red letters. Everyone knows what school you are rooting for if you wear one.

About 300 of these shirts have been sold in the girl's Physical Education classes.

The money from these shirts will be for the purchase of the extra archery and field hockey equipment. Mirrors for the girls locker room will also be bought.

Any money left over will be for additional equipment.

room. Date due, April 1, 1956.

Band Marches In Parade

The advanced Band participated in the Junior Orange Bowl Parade December 30 in Coral Gables. They wore their snappy uniforms and played peppy marches such as "Queen City" and "Little Champ."

In time, when Hialeah High is a full pledged high school, the band will take part in the Orange Bowl Parade. This honor is passed around among the high schools of Dade County.

Girls Change Sports As New Year Starts

Some "O'Boy" and some "o-o-o" as different physical education classes change to another sport. First aid class where some slight green faces appear is one of the changes. The girls are learning the do's and don'ts in the care of an injured person, before the doctor arrives. This class is being taught by Miss Fieldale.

Archery is a place where the Robin Hoods prove themselves and the other girls try to. Different things like: straddle the line, elbow slightly bent, and find your point of aim are coming to be familiar terms to everyone. This sport is being taught by Miss Alleine Swain.

Rhythm and modern dance prove to be fun. Either a girl is a little off balance or a real dancer. With the beat of a drum and the notes of a weird record class begins. This is being taught by Miss King.

Field Hockey is a good sport for a colorful bruise. As eleven girls run down the field battling at all for a letter ball, you can hear the "Tucko" and "Watch where you're hitting." This sport is being taught by Miss Delores Jordan.

On your mark, Get Set, Go and Track class is off! Some girls it proves very aggravating, while others love it.

Well, a few moans and groans, and some squeals of delight the class charge. More of the same comments will be heard as time comes around for another change.

vacation in Miami Beach for winner and companion, all expenses paid. National prizes: 1st, \$500 scholarship; 2nd, Week's vacation somewhere in U.S., Canada or Mexico, all expenses paid. Date due, Feb. 28, 1956.

Essay Contest

Sponsor: City of Miami (Mr. Frank Stearns)
Essay on "Benefits of Long Range Comprehensive (City) planning." Open to all students of senior high schools. Prize: \$25 minimum to 1st-place winner. Date due, March 1, 1956.

Essay Contest

Sponsor: Propeller Club of the U.S. (Mr. H. Austin Prewer)
Harold Harding Memorial High School Essay. Subject and prizes to be announced. Open to all junior and senior high school students. Dates: Jan. 1-March 31.

Community Project

Sponsor: National Conference of Christians and Jews. (Mrs. Donald Early)
Elizabeth Virrick Award for best group participation on community problems. Open to any class, group or club in senior high school, white and Negro. Prizes: 1st, \$50; 2nd, \$35; 3rd, \$15. Date due, April 1, 1956.

Speech Contest

Sponsor: Knights of Pythias, Grand Lodge (Mr. H. G. Jones)
Ten-minute speech on "Threats to Freedom, & How to Meet Them". Open to white high school students. National Prize: \$3500 in scholarships to any college or university. Date due, April 30, 1956.

Band Buys Jackets

Those in the advanced Band receiving letters will also have a jacket to put them on. It was decided after much thought that students may have their choice of three different types of jackets, a reversible one with red on one side and blue on the other; a jacket in red, lined in white wool; or just a plain jacket without lining. The jackets vary in price and quality and the student decides which type he prefers.

All jackets are of satin material.

Trip To Europe Prize Offered

You can take an examination on the current world affairs and win a trip to Europe. Mr. C. R. Earnest announced that any high school student may enter the thirtieth annual high school contest on the United Nations. The examination will be given on March 13.

Any students wishing to enter the contest should begin studying the U.N. right now. Mr. Earnest will be glad to aid any one who wishes to become a contestant. All students entering should see Mr. Earnest anytime before January 23.

You may go to Europe if you win the national contest.

Second national prize is a trip to Mexico or \$200. Local prizes are also given.

Additional information can be obtained from Mr. Earnest in Room 707.

Wheel Club Aids In School Spirit

Voo doo dolls preceeding the North Miami football game with Hialeah's Thoroughbreds were being sold by Hialeah's Wheel Club.

Members of the club expressed themselves stating that the primary purpose of the dolls was to develop more school spirit. The proceeds of the sale would go for the further development of the school.

Another big feature of the Wheel Club is the promotion of a Dance that was held Jan. 6 with Sue Fickling acting as chairman.

Through this dance the club hopes to create a feeling of starting the year off with a bang. One of the Vice-Presidents of the Wheel Club stated that "All of the service performed by the club this year will go toward the aid of the school financially and for service."

H.H.S. Has Growing Pains

Since the beginning of 1956 Hialeah's student body has increased by more than sixty new members, most of these students in junior high.

Because Hialeah was built to accommodate approximately only 2,000 students, its conditions are extremely crowded. The classes are so over populated that the teachers can not do all that they would like to.

However, new schools are quickly being built to relieve Hialeah of its heavy load.

Coach Hal Lannom Announces Plans For Spring Football

Varsity Spring football practice shall begin for all new candidates for the 1956 football team on Monday, April 2nd.

Seventh and eight grade boys shall not be permitted to participate in Spring football practice due to the probable construction and opening of the new West Hialeah Junior High School next September, and the enrollment of Hialeah High School being limited to the 10th, 11th and 12th grades only. Football lettermen may help coach the new and inexperienced football candidates on a volunteer basis.

All experienced football candidates, including lettermen, are invited to report for Spring football practice on Monday, April 16. Football practice for all candidates shall terminate at Curtis Park at 8:15 P. M. on Friday, May 25th with our Annual "H" Club Intra-Squad Football Games.

Van Luit, Goodman Pace H.H.S. Scorers

Skip Van Luit and Don Goodman jumped out in front in the Hialeah High scoring race with both averaging 14 points per game. They are the only boys in the double column bracket.

Scoring is not the only thing that is important in a basketball game and to a team. Wayne Garrick is averaging only 4 points a game but he is one of the most important players on the team because he, along with Jerry Askowitz, sets up the plays. Both are team players.

Here is a complete rundown of the scoring by Hialeah's Varsity players:

	G	FG	Fd.G	Pts.	Pct.
Dick Van Luit	.6	27	30	84	14.
Don Goodman	.3	15	13	43	14.3
Larry Wood	...6	16	14	46	7.6
Jerry Askowitz	.5	8	12	28	5.6
Wayne Garrick	6	11	5	27	4.5
Mayo Holmes	.5	8	4	20	4.
Lyle Charles	.6	8	7	23	3.8
Bill Willingham	6	2	10	14	2.3
James Dixon	.4	3	0	6	1.6

ANNUAL "H" CLUB INTRA-SQUAD FOOTBALL GAME REDS vs. BLUES CURTIS PARK, 8:15 P. M. FRIDAY, MAY 25th, 1956

Hialeah Spotlight

By DAVID RYAN

It is beginning to look as if Hialeah's basketball team will be a fairly good one this year. They got off to a good start when they hopped

off to an early upset over West Palm Beach. The Thorobreds topped West Palm by 16 points. West Palm then came back to defeat a tough Miami Jackson team 75 to 62.

In the next two weeks the Thorobred quintet meets North Miami at home on January 17; St. Patrick's, away, on January 20; Archbishop Curley at home on January 27, and Riverside Military Academy, away, on the 28th of January.

It will be the Thorobreds' first meeting against the North Miami five. The Pioneers have lost to a strong Miami High team 73 to 53, lost to South Broward 36 to 32, and dropped a 68-47 decision to Ft. Lauderdale.

Hialeah defeated St. Pat's in their first meeting, but the Thorobreds play at the Shamrock's gym for the second meeting. In their South Florida Catholic League debut St. Pat's defeated St. Ann's of West Palm Beach 50 to 21.

Archbishop Curley topped the Thorobreds' five 47 to 40 at the Edison gym in their first meeting. Hialeah will have the home court advantage when they play them again on January 27. In other games Curley upset Ft. Lauderdale 58-47. They also lost to Tech High 37-35.

FOOTBALL

The 1956 schedule for the Hialeah football team is still uncertain. So far, there are five games scheduled. They are: Miami Beach, Archbishop Curley, South Broward, South Dade, and the annual Thanksgiving classic with North Miami high.

At the December meeting of the Gold Coast conference officials, Hialeah was refused entrance to the conference and no reason was given. Head football coach Hal Lannom had this to say about the matter: "Not being in a conference deprives the boys from competing for a title or tough competition. Being in a conference gives the boys better incentive and a chance to get on an All-Conference team."

TRACK T

Coach Jerry Salek has started his team in its long grind to get in top shape for the coming track meets, especially the state meet on May 12.

BASEBALL

Practice for pitches and catchers for the Hialeah baseball team starts January 30. Regular practice starts the beginning of February.

THE CAPTAINS and CO-CAPTAINS of the winning teams which played in the volleyball tourney last Tuesday, December 13, were Dennis Frawley, Lyndol Lewis, William Menze and Ed Fleck from Citrus Grove Jr. High, and Frank Larusek, Earl Cortright, Jeff Cortright, and Don Mathews from Horace Mann Jr. High. In the center is Mr. Ted Blier, supervisor of Health and Physical Education. (Photo by Rayfield).

Reporter Ryan Summarizes Games Played This Season

VARSITY STOPS FACULTY IN WARM-UP GAME, 51-29

Hialeah's basketball team, under the direction of Coach Roy Brawnner, defeated the faculty of Hialeah High School by a 51 to 29 score. The game was played on the afternoon of December 8 at the Hialeah gymnasium. The attendance was poor because it was an afternoon game. Lyle Charles and Larry Wood paced the varsity with 13 points each. Mr. Sampson, of the faculty also tallied 13 points to pace the older boys.

HIALEAH	16	6	118	12-51
FACULTY	7	6	5	11-29

MIRACLE ON 47th STREET

Hialeah's Thorobreds used a miracle, fact thinking, and some sharp shooting to score 23 points in the final quarter to defeat a fast St. Patrick's team 45 to 42 in the first game of the season. Trailing 23 to 17 at the half and behind 35 to 22 at the end of the third quarter, the Thorobreds dumped in 7 field goals and tallied 9 points on fouls to force the Shamrocks to defeat. Skip Van Luit led the Hialeah team with 16 points and Lyle Charles tallied 9. Joe DiMare led the losers with 11 points.

In the first game the Hialeah JV team defeated St. Pat's JV's 73 to 23.

HIALEAH	8	9	5	23-45
ST. PAT'S	10	13	12	7-42

CENTRAL CATHOLIC HANDS HIALEAH ITS FIRST LOSS

The inexperience of the Hialeah basketball team led to a 44-28 defeat at the hands of Central Catholic of Fort Lauderdale. The Thorobreds only scored 8 times on field goals. Wayne Garrick and Skip

Van Luit hit for 4 goals each. Ken Brown scored 17 points to lead Central Catholics scoring.

In the JV game, the Thorobreds won their second straight contest 46-40 over the Central Catholic "B" team.

Here is the Varsity score by quarters:

HIALEAH	8	4	2	14-28
CENT. CATH.	14	13	12	5-44

SEACREST FIVE TOO TOUGH FOR HIALEAH THOROBREDS

Seacrest High's basketball team defeated the Hialeah Thorobreds 62 to 47 at the winner's gym. The Seacrest team had a defense that Hialeah could not go through and they were forced to shoot from the outside. Four of the Seacrest players hit for double figures in the scoring column. Larry Wood hit for 13 points and Jerry Askowitz scored 10 for the losing Thorobreds.

HIALEAH	9	10	10	18-47
SEACREST	17	20	16	9-62

Football Player Becomes Football Coach

Frank Constantino, Hialeah's offensive right guard, who recently was awarded a trophy for his work in the North Miami football game, has taken up the job of coaching the line of Hialeah's 109 pound Optimist football team.

When he first saw the line of the team he knew he would have a tough job making them a tough, hard fighting, and quick moving football squad.

He started them out with long hard practices including hard on tackling which these boys never went through before, but were glad of it because it helped them to go on to win the annual Optimist Youth Bowl game against Brunswick, Georgia. The Brunswick team beat Hialeah 25 to 0. The long hard practice really paid off for the boys, and they were proud of their coach Frank Constantino.

Thorobreds Stop WPB 55-39

The Thorobreds' basketball team, led by the rebounding timing of Larry Woods and dead-eye accuracy of Skip Van Luit stopped West Palm Beach 55-39.

Palm Beach, a member of the Big Ten, could easily have defeated Hialeah's young 10th and 11th graders matched against their own experienced and older team. Such was not the story. The Thorobreds forged ahead 25-12 in the first period of the game.

Hialeah always working on the fast-break just ran away with the game headed by Skip Van Luit who hit for 23 points and Don Goodman, for 11.

Hialeah Creams Peter-Paul 76-32

Hialeah High taking the lead right from the first center jump, stayed out in front all the way holding the lead 24-16 at halftime, then spurted for 31 points in the final period to cream Sts. Peter & Paul, 76-32.

"Skip" VanLuit who hit for 17 points was followed by Mayo Holmes with 16 and Don Goodman with 15 points. These three were the top point makers for the Thorobreds' offense. Wayne Garrick and Jerry Askowitz helped greatly with their neat dribbling and passing ability.

The Thorobreds' "B" squad also took their game with the score 82-16.

Peter-Paul 7 9 3 13-32
Referee: Fields. Umpire: Younts.

COACHES, left to right, Charles Wychunas, Roy Browner and Hal Lannom discuss the West Palm Beach basketball game. They are pictured in the "Inner Sanctum" of the new coaches' office.

Van Luit Sparks Brawner Coaches Fast B. B. Team Fast Breaking Basketball Team

"Skip" Richard VanLuit, an eleventh grader at Hialeah High School, holds outstanding honors in basketball, and has the great respect among his fellow students and teachers.

This handsome first string forward for the Hialeah Varsity basketball team, is five feet seven inches tall, has dark brown hair, brown eyes, and is 18 years old.

Skip has a high rating in each basketball game that he has played this season. He averages 14 points per game, and he also has made 30 points on foul shots alone.

He was born in Rocky River, Ohio. He came to Miami to find that Ohio still rates best in his opinion.

Last year Skip was on the varsity football and basketball teams, lettering in basketball.

Coach Roy Brawner told the Record what he thought of the basketball team here at Hialeah.

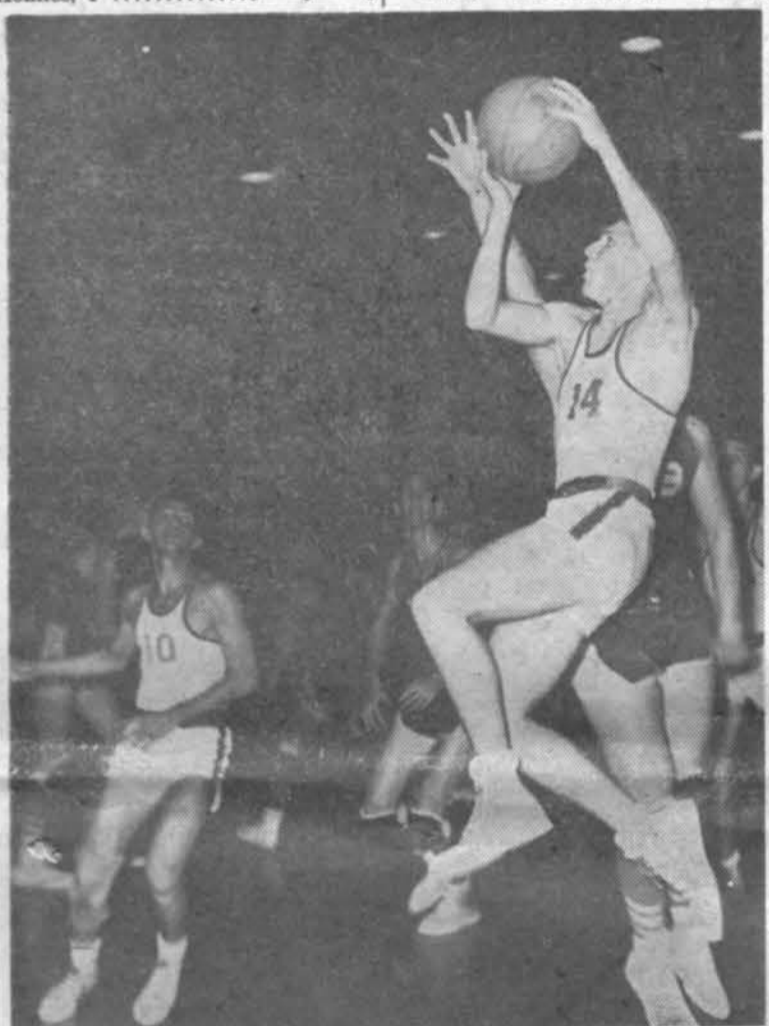

"We have a much improved ball club over last year because we have played together a full season and because we are playing stiffer competition. The team is a year older and the boys' reflexes are better. They are also more certain of the fundamentals of the game. I believe that the better competition you have, the better your team plays. We can win ball games if the boys concentrate on playing like a team.

Our team is improving with each game. They are learning something new in every game. Our rebounding is capable since we have two boys over six feet tall under the basket, those being Don Goodman and Larry Wood.

"I never rate my boys on their scoring effort alone. Hustle and desire are just as important, if not more, than shooting ability. For instance, Wayne Garrick is a good defensive man and he scores points when we need them. If the boys work together and play the way they are capable we will have a good year season.

"It is still a few years before we will be able to compete with team like Miami High, Jackson and Edison, although we will play them next year. This year we defeated a class AA team, that being West Palm Beach by 16 points. I believe it was the best game we have played this season. The boys were playing together better in that one.

"We lost to Seacrest High which, in my opinion, is one of the best Class A teams in South Florida. The Seacrest game was one of the poorest games we played all year."

(2) LYLE, CHARLES (No. 14) shoots at a St. Patrick J. S. Hialeah, while JERRY ASKOWITZ (No 10) waits his turn for a try.

Knights Sink Thorobreds

The fast and alert Archbishop Curley High basketball team which Hialeah faced seemed to be Hialeah's toughest opponent. The Knights went out in front 14-5 in the first quarter and were never pressured with the score 27-13 at the half and 41-17 toward the final period.

Curley was led by Fran Curci in point scoring with 17, assisted by Walt Perry with 14.

In the last quarter Hialeah started to come to life, sparked by Don Goodman and Skip Van Luit both making a total of 23 points with Larry Woods and Wayne Garrick making 7 apiece. The final score was 47-40 with only a 7 point margin for Curley.

Referee: Russell. Umpire: Schroeder.

Larry Wood Active Junior

Larry Wood has come into the public eye through his recent activities as a basketball center and his ability to snag rebounds.

Larry's favorite subject is Latin and his favorite teacher is Mr. Donald MacQueen.

His pastimes are girls and basketball. He has attended Hialeah schools for 11 years.

Larry is six feet four inches tall; he has blue eyes and wears a Hollywood brush with a D.A.

When Larry graduates he plans to attend college and major in dentistry or chemistry.

He was born in Hialeah 16 years ago, is a member of the junior class and is in Mr. Adair's homeroom.
